

Order Form Directions

The Tree and Shrub Sale Order Form and the Prairie Grass and Wildflower Mixes Order Form are fillable forms. Fillable forms will calculate your order total for you. On both forms, place your cursor in the blue shaded field by name and type your name. Tab through each shaded area of the form, entering in your contact information.

Tree and Shrub Sale Order Form

Tree Species Section

In the Quantity tab, type in the number of bundles you want to order in the blue shaded section. Either press the **Enter** button or **Tab** button and the form will calculate the subtotal, tax, and total.

Generic Gel Section

Enter the number of tree gel packets wanted. Press **Tab** or **Enter** and the form will calculate the subtotal, tax, and total.

Tree Shelter Section

Type in the quantity of tree shelters wanted, and then press **Tab or Enter** to complete the calculation.

Prairie Grass and Wildflower Mixes Order Form

In the Quantity tab, type in the quantity for each mix you would like to order. Press **Enter or Tab** for each selection for the form to complete the calculation. The Subtotal, tax, and total will fill in automatically.

Mail order with check payable to Wood County LWCD to:

Wood County Land & Water Conservation Dept.
