COUNTY
2009 - 2010

History of Wood County

In the winter of 1827, Daniel Whitney of Green Bay obtained a permit from the Winnebago granting him the privilege of making shingles on the Wisconsin River. He employed 22 Stockbridge Indians and conveyed them to the mouth of the Yellow River. In 1831 Daniel Whitney obtained a permit from the War Dept. to erect a sawmill and cut timber on the Wisconsin River. In 1831-2, assisted by his nephew and A.B. Sampson, built the first mill at the place known as Whitney's Rapids, below Point Basse, and about 10 miles south of Wisconsin Rapids. Messrs, Grignon & Merrill, having also obtained a permit, built a mill at Grignon's Rapids in 1836. These two establishments were the first lumbering plants on the Wisconsin River in Wood County.

Wood County was named after Joseph Wood, who came here from Illinois in 1848. Under Chapter 54 Laws of 1856, present Wood County was detached from Portage County. The same chapter directed that the town board of supervisors of the town of Grand Rapids in Wood County, shall be the board of supervisors of Wood County until a county board shall be elected and qualified as provided by the revised statutes of the same act. The first election was held in November 1856. The first county officers were: County Judge Joseph Wood; Sheriff Benjamin Buck; District Attorney L.P. Powers; Surveyor H.A. Temple; Clerk of Circuit Courts L. Kromer; County Clerk L.P. Powers; Treasurer I.L. Moser; Register of Deeds, L. Kromer. The county board met for the first time October 8, 1856.
