## History of Wood County

In the winter of 1827, Daniel Whitney of Green Bay obtained a permit from the Winnebago granting him the privilege of making shingles on the Wisconsin River. He employed 22 Stockbridge Indians and conveyed them to the mouth of the Yellow River. In 1831 Daniel Whitney obtained a permit from the War Dept. to erect a sawmill and cut timber on the Wisconsin River. In 1831-2, assisted by his nephew and A.B. Sampson, built the first mill at the place known as Whitney's Rapids, below Point Basse, and about 10 miles south of Wisconsin Rapids. Messrs, Grignon & Merrill, having also obtained a permit, built a mill at Grignon's Rapids in 1836. These two establishments were the first lumbering plants on the Wisconsin River in Wood County.

Wood County was named after Joseph Wood, who came here from Illinois in 1848. Under Chapter 54 Laws of 1856, present Wood County was detached from Portage County. The same chapter directed that the town board of supervisors of the town of Grand Rapids in Wood County, shall be the board of supervisors of Wood County until a county board shall be elected and qualified as provided by the revised statutes of the same act. The first election was held in November 1856. The first county officers were: County Judge Joseph Wood; Sheriff Benjamin Buck; District Attorney L.P. Powers; Surveyor H.A. Temple; Clerk of Circuit Courts L. Kromer; County Clerk L.P. Powers; Treasurer I.L. Moser; Register of Deeds, L. Kromer. The county board met for the first time October 8, 1856.

Centralia is now part of Wisconsin Rapids. Springfield was vacated Feb 23, 1865 and attached to McClellan which was reorganized and shortly afterward vacated and the territory was distributed to other towns.

On Jan. 5, 1858 the board adopted the Wood County Reporter as its official newspaper to publish all proceedings. This paper was established in Nov. 1857 and was the first and only newspaper in the county. The first courthouse was a hall in the Magnolia House which was located on the corner of Ninth and Washington Ave. The first court was held there in 1857. The date of the first warranty deed recorded was Oct 1856. The first building actually erected as a courthouse in Wood County was built in Grand Rapids on a spot near the river. The population of Wood County in 1860 was 2425.

## **WISCONSIN MARRIAGE LAW REQUIREMENTS ELIGIBILITY**

**AGE:** Every person who has attained the age of 18 years may marry. If a person is between the age of 16 and 18 years a license may be issued with written consent. A court can no longer grant special permission for a person under age 16.

**RELATIONSHIP:** Persons closer in relationship than second cousins may not marry. First cousins may marry where the wife is age 55 or older or where either party at time of application for marriage license submits an affidavit signed by a physician stating that either party is permanently sterile.

**PRIOR MARRIAGES:** A party to a divorce is prohibited from marrying in Wisconsin within 6 months of the granting of divorce, regardless of what state granted the divorce.

### **LICENSE**

**APPLICATION:** Both applicants must apply in person. At the time of application, both must submit certified copies of their birth certificates, driver's license or Wisconsin ID with your current address, (if your address is not current on your driver's license, please bring other proof of residence), and social security numbers. Persons who were previously married must submit proof of how their last marriage ended by bringing their Judgment of Divorce or death certificate.

**WAITING PERIOD:** Application must be made to the County Clerk's Office at least 5 days before the marriage, providing all qualifications are met.

**RESIDENCE:** Application must be made in the county where at least one party has resided for at least 30 days. If both parties are out-of-state residents, application must be made in the county where the ceremony is to be performed.
