***Northern CYSHCN Regional Center 866-640-4106.***

The Northern CYSHCN Regional Center will help you get answers, find services and connect you to community resources. Services are free and confidential.

**Federally Qualified Health Centers**

Regional medical providers offering care on an income-based sliding fee schedule for low-income and uninsured individuals.

**St Vincent DePaul Outreach Center Free Medical Clinic**

149 N Central Avenue in Marshfield. Clinic hours on the **first and third Wednesday** of each month . 5:00 - 6:30 PM. No appointment is required. Individuals are screened by volunteer primary care physicians for imminent medical needs and referred to local community care programs if further follow-up is required.

**Partnership for Prescriptions**

This program brings together America's pharmaceutical companies, doctors, other health care providers, patient advocacy organizations and community groups to help qualifying patients without prescription drug coverage get free or low-cost medicines through the public or private program that's right for them. Many will get their medications free or nearly free. This program will help you find the program that's right for you, free of charge:

Medicare Drug Coverage Plans

**Economic Support, Wood County Social Services**

Application assistance for Forward Health and BadgerCare Plus Medical Insurance, Food Share, Childcare funding, Energy Assistance and other governmental services.

**Shriner's Hospitals for Children**

Dedicated to providing pediatric specialty care, innovative research and outstanding teaching programs. Children up to age 18 with orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate are eligible for care and receive all services in a family-centered environment at no charge - regardless of financial need.

**Women, Infant and Children (WIC)**

WIC provides supplemental foods, health care referrals, nutrition education, oral fluoride treatments, vaccine for children, and childhood testing for lead poisoning for low-income pregnant, breastfeeding, and non-breastfeeding postpartum women, and to infants and children up to age five who are found to be at nutritional risk.

**Health Insurance Risk Sharing Program**

HIRSP offers health insurance to Wisconsin residents who either are unable to find adequate health insurance coverage in the private market due to their medical conditions or who have lost their employer - sponsored group health insurance. Applicants are required to meet HIRSP eligibility criteria to qualify. HIRSP covers major medical and prescription drug expenses, subject to pre-existing condition limitations. <http://www.hirsp.org>

**Social Security Income Benefits**

Income disability programs provide assistance to people with disabilities. They are administered by the Social Security Administration. Individuals must have a disability and meet medical criteria for benefits under these programs. Contact your local Social Security office for application assistance.

**Katie Beckett Program**

A special eligibility process that allows certain children, under age 19, who are residents of Wisconsin, with long-term disabilities or complex medical needs and living at home with their families, to obtain a Wisconsin Medicaid card. Children who are not eligible for other Medicaid programs because of family income or assets may be eligible. <http://dhs.wisconsin.gov/bdds/kbp>
