.....

Description:

Govt. Lot _____, _____ 1/4, _____ 1/4, Section _____, T _____ N, R _____ E/N

Type of Construction: _____

.....

Property owner's statement:

The undersigned hereby makes application for a permit to substantially alter an animal waste storage facility after the fact on the property herein described. The undersigned agrees that all work was completed without a regular permit. The undersigned also agrees to assume all liability should the above type of construction fail to meet the design and function of said construction.

Applicant's Signature _____ Date _____
(Landowner)

.....

For Office Use:

Permit issued _____ Permit denied _____ Reason for denial _____

Construction certification received: Wood County Land Conservation Department (LCD) shall not certify this activity or design since the activity was completed without a permit that would have included an installation plan. The LCD is unable to determine if the above activity meets NRCS construction standards and specifications. The LCD waives all liability should the above activity fail to meet the design and function of said construction.
