

WOOD COUNTY PARKS

YOUR GUIDE TO WOOD COUNTY PARKS AND ACTIVITIES

FREE

2019-2020

WOOD COUNTY IS YOUR WINTER WONDERLAND!

Welcome to Wood County, located in the heart of Central Wisconsin River Country. Our largely rural setting has an abundance of county forest and park land mixed with dense pine and hardwood stands that offer a wide variety of winter recreation opportunities to the visitor.

Come and join us as the snow-covered land and frozen lakes provide unique winter recreation fun.

The hub of winter activity can be found at Powers Bluff Winter Sports Area, offering downhill skiing, snowboarding, cross-country ski trails and downhill tubing complete with three tows, warming shelter and concessions.

In addition to these activities, Wood County

has over 270 miles of state-funded, well-groomed, snowmobile trails routed through forest and across farmland. These trails are maintained by local snowmobile clubs.

The Wood County ATV Intensive Use Area has 10 miles of trail to enjoy during the winter months with a shelter house complete with a wood burning stove, now available to rent!

Ice fishing is a popular past-time on all three of our lakes: Lake Wazeecha, Lake Nepco and Lake Dexter.

If cross-country skiing is what you're looking for, there are a variety of park lands to choose from. Over 10 miles of groomed, maintained cross-country ski trails are located at Nepco Lake

County Park, Richfield 360 Area, as well as the Powers Bluff Winter Sports Area.

Other winter events are fisheries, ATV ice races and a county snowmobile ride. Hunting is permitted on county forest land, designated areas of Dexter Park, the Richfield 360 Area and the Lake Wazeecha Disposal Site. Please call the Parks & Forestry Office for more information and restrictions.

We invite you to use and enjoy all the Wood County Parks and public forest lands. If we have failed to provide something of particular interest to you, the park staff will try to provide you with the information you are seeking or contact the Wood County Parks & Forestry Department office.

Further details to be announced.
- TBD

39TH ANNUAL COUNTY SNOWMOBILE RIDE
Come join us on a 100 mile excursion exploring Wood County snowmobile trails. Weather permitting. For more information call 715-421-8422.

ICE FISHING

Lake Nepco, Dexter and Wazeecha are excellent areas for ice fishing. Wood County Parks & Forestry Department does not, however, monitor ice conditions. Be extremely cautious of ice conditions at all times. Ice thickness early in the season may not support a fisherman. Springs, animals, or currents may cause thin ice conditions at any time of the year. Have a fun and safe day ice fishing. Enjoy the fisherees on Dexter and Nepco Lakes.

SNOWMOBILE TRAILS

Wood County has 271.7 miles of snowmobile trails to enjoy. Seven clubs make up the Wood County Snowmobile Alliance and maintain the trails. When snowmobiling, please stay on marked trails. The clubs and presidents are as follows:

- AUBURNDALE NITE OWLS Glenn Grassel
- BAKERVILLE SNO ROVERS Scott Hanson
- KELLNER KNIGHTS Dan Guck
- RUDOLPH RIVER ROVERS Mike VanAsten
- SUNSET DRIFTERS..... Mike Hack
- VESPER SNOW DRIFTERS Dave Straka
- YELLOW RIVER RIDERS Mike Herzberg

To find out which trails are open, please check the Wood County Parks & Forestry website.
 Maps can be picked up at our office, many business locations in Wood County, or they can be downloaded from our website at www.co.wood.wi.us/Departments/Parks

SNOWMOBILE OPERATORS

Wisconsin has the finest snowmobile trail system in the country with over 25,000 miles of funded groomed trails. The State of Wisconsin has adopted, by legislative action, a system of funding whereby snowmobilers themselves pay for the vast network of trails that criss-cross the state. Monies are generated by snowmobile registration and by state gas taxes on the portion of the fuel used by snowmobilers. This fund is administered by the Department of Natural Resources (DNR) and cooperating counties that have adopted the program. Counties contract with individuals or organizations to develop and maintain trails, usually local snowmobile clubs.

1. Nighttime Speed Limit is 55, signed into law May 18, 2010.
2. Please respect all public and private property and stay on marked trails and routes.
3. Use EXTREME CAUTION on all lakes and streams. "Self-funded" corridor trails do not cross lakes.
4. The DNR recommends you travel with a first-aid kit, dress for the weather, and never travel alone.
5. Do not operate snowmobiles on highways or roads unless posted as a snowmobile route. Snowmobile routes on roads are designated by local ordinances.
6. Beginning with the 2015-16 snow season, all snowmobiles operating on a Wisconsin snowmobile trail or corridor must display a valid snowmobile trail pass. To obtain a discounted trail pass, JOIN AWSC TODAY! (See page 8 for more information)
7. Obey all state laws and local ordinances.

RECREATION GUIDE

WINTER FORECAST 2019-2020

snowday.com

WHY BELONG TO A SNOWMOBILE CLUB?

If you snowmobile on any trail in Wisconsin, chances are that the trail is made possible by the local snowmobile club. These clubs provide these trails for public use through volunteer efforts of members. Clubs can use help to provide good trails on which to ride. Snowmobile clubs not only work on snowmobile trails , but they also have fun! They snowmobile, socialize, raise money for charities, take trips, go camping, hold fundraisers, and help with community projects. A snowmobile club has something for everyone.

By belonging to a snowmobile club, you are helping to keep the sport as strong as it is by providing good trails, and you are having fun by being with people who enjoy and understand the fun and fellowship of snowmobiling.

Without the clubs, there would be no trails.

For more information on joining a snowmobile club in Wood County, contact the Wood County Alliance of Snowmobiles President at 715-498-3274.

CROSS COUNTRY SKIING

CROSS COUNTRY SKIING FEES

There is a self-registration station at the beginning of each trail. The daily fee is \$5.00. An annual individual pass is \$15.00 and a family individual pass for 3 or more people is \$40.00. The family pass is for parents and the children age 18 and under.

Please fill out trail pass before entering trail. Place money in envelope and deposit in box. Keep the top copy as your receipt while using the trails. If you choose to purchase an annual pass, it will be mailed to you within 7 days.

RICHFIELD 360 AREA SKI TOURING TRAIL

The Richfield 360 Area Trail is located at 8183 Heggulund Ln., Arpin, WI 54410, seven miles north of Pittsville on County Trunk Highway A, and then one-half mile east on Heggulund Lane.

The Ski Touring Trail includes a plowed parking lot, toilet and trail head sign with map. The ski touring trail is approximately 5 miles long.

There is also a 2 mile and 1 mile marked trail. It is routed across open fields, through forests and along and across Puff Creek to provide additional scenic value.

The trail was constructed in the fall of 1975 through the fall of 1976, with brushing, bulldozing and leveling of the trail. In 1996, a new bridge was completed on the southwest corner of the property, crossing Puff Creek. This trail is marked and groomed during the winter season. *Wilderness camping is available year round at the Richfield 360 Area.*

NEPCO LAKE COUNTY PARK SKI TOURING TRAIL

The Nepco Lake Area Trail is located at 1410 Griffith Ave., Wisconsin Rapids, WI 54491. The Nepco Lake County Park Ski Touring Trail includes a plowed parking lot, an information board with map, and toilets. The trail was constructed the summer of 1981. The trails will be groomed and marked during the winter months. In 2008, Wood County, in cooperation with a local ski club, developed an east loop and west loop of trail. They are three miles and 1.5 miles in length, respectively. The trails offer a variety of terrain from easy to moderately difficult.

POWERS BLUFF COUNTY PARK SKI TOURING TRAIL

The Powers Bluff Cross Country Ski Trail had significant changes/improvements made in 2018. There is now a trail head located at 7141 County Highway N, Arpin, WI 54410. This gives skiers access to the new 2½ mile trail which winds through the newly acquired 223 acre property, north of the 160 acre park. There is still an access spur that leads to the top of the hill, which is where the shelter building and vault toilets are located. Hope you enjoy the new trail!

POWERS BLUFF WINTER SPORTS AREA

The Powers Bluff Winter Sports Area is a 160 acre park located at 6900 Bluff Drive, Arpin, WI 54410. The area can be easily reached from US Hwy. 10 or STH 73 via County Highway E. Powers Bluff is the 13th highest point of elevation in the State of Wisconsin at 1,472 feet.

Winter sports include downhill skiing, snowboarding, cross country skiing, tubing, snowmobile access and wooded areas for snowshoeing.

Rental equipment is available for downhill skiing and snowboarding. Also, a privately-owned food concessions stand is available during open hours.

In July of 2012, Wood County acquired 223 acres of property adjoining the northern property line of Powers Bluff County Park. This property is the future home to most of the recreational opportunities offered at Powers Bluff. Currently, there is a trail head parking lot at 7141 Cty. Hwy. N, Arpin, WI 54410 for the 2.5 mile cross country ski trail, which was created in 2018. Future plans include an entrance road off of County Hwy N, a parking lot, shelter building and bike trails, to name a few. Until more development occurs, this area will be open for public hunting throughout the year.

If you are interested in participating in the planning and/or development of this new property, please contact our office, 715-421-8422 or parks@co.wood.wi.us.

GROUP USE DURING NORMAL HOURS

For groups using Powers Bluff Winter Sports Area during normal operating hours, the fees are as stated. During regular open business hours, the shelter is open to the general public and is on a first come, first served basis. In the shelter, there are electrical outlets for your use. You may bring your own food. There is a privately-operated concession stand open at this time. There are two fireplaces in the shelter. These are available for your use and wood is provided.

SKIING

There are three ski runs, which are 1320', 1410' and 1500' in length. The estimated vertical drop is 250 feet. The ski trails are operated by a handle tow ski lift, which is an ideal system for beginners and also for snow boarders. Snowboarding is permitted on the ski hill with a tow ticket.

TUBING

An area west of the shelter building has been provided for tubing. A tube will be provided when you purchase your tube hill ticket. No outside tubes are allowed. One person per tube. It is required that a parent or adult provide supervision for their children.

PRIVATE PARTY SESSIONS

(WEEKDAYS ONLY)

Groups wishing to use the Powers Bluff Shelter and Winter Sports Area downhill skiing or tubing facilities during weekdays not open to the general public may call in and make a reservation for tubing or skiing for Monday thru Friday (snow conditions permitting). The reservation may be any three-hour period between 9:00 a.m. to 3:00 p.m. For parties wishing to use the shelter building for longer than three hours, the rate will be \$50/hour.

The fees below include the use of the shelter house. **Tubing only:** 1 tow line is for 0-50 people is \$350; 2 tow lines is for 51+ people and is \$450. **Ski Hill only:** 1 tow line is for 0-200 people and is \$250. **For those that like to ski AND tube:** 1 tube/tow line is for 0-50 people and is \$450; all three tows (both tube tows and 1 ski tow) is for 51+ people and is \$500. All reservations must be made and paid for at least two weeks in advance. If the group cancels, all but \$25.00 will be refunded. If Wood County cancels due to weather or any other reason, a full refund will be returned.

All tow line users are required to have a tow line ticket. Any groups needing to rent downhill ski equipment, snowboards, or would like the food concessions available, must call the Parks & Forestry Department at (715) 421-8422 for the concessionaire contact information.

HOURS OF OPERATION

SKIING & SNOWBOARDING

Saturday & Sunday: 10:00 a.m. - 4:00 p.m.

TUBING

Saturday & Sunday

1st Session: 10:00 a.m. - 1:00 p.m.

2nd Session: 1:00 p.m. - 4:00 p.m.

During the school Christmas vacation weather permitting, skiing will be open for one session from 10:00 a.m. to 4:00 p.m. and tubing will be open for two sessions as stated above. The fee is \$10.00 per person, per session. Powers Bluff is closed Christmas Eve & Christmas Day.

WANT TO SPEND ALL DAY AT POWERS BLUFF?

\$15.00 FOR AN ALL DAY PASS!

FEES

Ski hill & tube hill fees are \$10.00 per person, per session. You may tube and ski with this tow line ticket, however, this ticket can be used for only one tube session.

Please NOTE: At Powers Bluff, we accept cash, checks and all major credit cards at the concession area for food, rentals, and tow tickets.

WE SELL GIFT CERTIFICATES!

WHAT'S NEW?

ATV/UTV TRAILS & ROUTES IN WOOD COUNTY!

ATV/UTV trail users in Wood County are now enjoying the addition of ATV/UTV trails that connect to existing town road routes, and trail systems in adjacent counties. These trails are bringing new traffic and visitors through the area and boosting the local economy. Previously, the only ATV trails in Wood County were the 10 miles located within the ATV Intensive Use Area on Highway 54. In December, 2018, the Wood County Board authorized \$48,300, from CIP debt proceeds, to fund the 2019 development project. This included costs associated with trail

improvements and maintenance, sign purchasing and installation, and the development of 10 ATV camping sites at Dexter County Park.

In June, 2019 the first ribbon cutting ceremony took place for the southern part of the county at Ho-Chunk Gaming, Nekoosa to recognize the efforts of everyone involved. "With UTV registrations approaching the 400,000 range nationally, it's important that cities and townships accommodate for the growing trend," says Randy Harden, Wisconsin ATV Association President. "These trails and routes are an asset and it shows

great foresight from your county, townships and cities." "Some folks don't realize the value of what catering to this type of tourism will do for the surrounding communities. We applaud Wood County for seeing this vision and working to continue its growth," says Mandy Witt, co-owner and CMO, Power Pac.

"Each year, our committee will meet to discuss how we can expand the number of miles to even a larger trail system, but this takes time and a lot of money. Costs for the project will come from county funds, grants to reimburse costs, and support from local ATV clubs," said Sandra Green, Snowmobile/ATV Trail Coordinator.

Main line routes are designed to attract riders to Wood County trail heads, businesses, and points of interests, and connect to other developed trail networks. Extending ATV trails in Wood County poses several challenges due to the limited potential for trail development due to its wetlands, soil type, and segmented lands. Despite these challenges, Wood County is working with local townships, the state DOT, and the DNR, to find additional opportunities for trails and connections between existing routes.

In September, 2019 Wood County Parks & Forestry held its 2nd ribbon cutting for the western part of the county at Dexter County

Park celebrating new routes and the opening of 10 new campsites specifically designed for ATV/UTV trail riders. "The new campsites and routes demonstrate Wood County's continued commitment to growing off-road tourism," says Scott Larson, Executive Director, Marshfield Area Chamber of Commerce and Industry. Power Pac & Donahue Super Sports provided demo UTVs to allow folks to experience the local trails and businesses first-hand.

To remain updated on current and future developments, and for a route/trail map, check out our Facebook page at <https://www.facebook.com/WoodCoWisc.ParksForestry/>

L to R: Rob McConnell, VP of WATVA; Dale Nichols, Pittsville Mayor; Sandra Green, Wood County ATV/Snowmobile Trail Coordinator; Adam Fischer, Wood County Board Supervisor, Chairman of the Highway, Infrastructure and Recreation Committee (HIRC); Doug Machon, Wood County Board Chairman; Ken Curry, Wood County Board Supervisor and Chairman of Conservation, Education & Economic Development Committee (CEED).
