MARCH 2019

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

Prepared by Child Support Director Brent Vruwink

- On February 5th I attended a meeting with Governor Evers staff about our request for additional child support funding. I also met with several members of the Joint Committee on Finance to discuss the funding request.
- I have been working to get other counties to pass a resolution similar to the one Wood County passed on August 21, 2018 which requested an additional \$1.5 million in GPR from the state for child support funding. At this time 49 counties have either passed a resolution or are in the process of getting one passed.
- I attended the department head meeting on February 20th.
- Denise Willfahrt has been appointed to the CCAP/KIDS workgroup. This group is working on creating an interface between the two systems.
- Department of Children and Families Deputy Secretary Jeff Pretl will be attending the WCSEA board meeting on February 22nd. I am looking forward to hearing what his vision is in regards to the Child Support Program.
- Department of Children and Families Secretary Emilie Amundson will be visiting with the Child Support Agency on March 8th. We are very excited to meet with the Secretary to discuss the child support program and how we can work together to help children and families across the state.
- I will be attending the Joint Legislative Committee meeting in Mosinee on March 11th.
- I will be attending WCA's regional budget meeting in Wausau on March 13th.
- The January performance numbers have been released. We are again on target to meet all four Federal Performance Measures.

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

February 2019

1. Nitrate contaminated water. The first of six monthly meetings was held to discuss the issues attendant to the implementation of the MOU between the Agricultural Growers Cooperative (AGC) and the Counties (Juneau and Wood). As expected, this was a meeting where Nancy Eggleston, Environmental Health Coordinator, addressed existing and future issues with the AGC. I will not plan to participate in these ongoing meetings unless a legal matter arises. Future updates regarding the MOU's implementation will come from the Health Department and the Land & Water Conservation Department.
2. Responding to anonymous complaints. A while back, a county board supervisor contacted me inquiring how to deal with an anonymous complaint. It seemed to me that the supervisor had done everything they should in that instance but it made me think that it might be worth memorializing the approach and considerations in a memo to the board. Before doing so, however, I thought that gathering the collective wisdom of the department heads would be worthwhile and, hence, I will be discussing the topic at the latest department head meeting. The end result will be a memo to the county board.
3. Estate of Teskoski v. Wood County. On 12-22-2017 Ms. Teskoski hanged herself in the Wood County jail. Her estate has commenced litigation against the county in federal district court (for the Western District of Wisconsin). The primary allegation is that Wood County failed to have adequate policies in place to identify persons with suicidal risks and then monitoring such persons. The county's primary insurance carrier, WCMIC, has accepted coverage and retained counsel that will be handling the case on the county's behalf.
4. Estate of Vann-Marcouex v. Wood County. On 8-15-2018 Mr. Vann-Marcouex hanged himself in the Wood County jail. His estate has commenced litigation against the county in federal district court (for the Western District of Wisconsin). The primary allegation is that Wood County failed to have adequate policies in place to identify persons with suicidal risks and then monitoring such persons. The county's primary insurance carrier, WCMIC, has accepted coverage and retained counsel that will be handling the case on the county's behalf.
5. Goals. So my goals for 2019 are the preparation of a litigation settlement policy and litigation response procedures. I have prepared a draft of the settlement policy and have run it past one of our insurers and Terry Stelzer. After that I will have a few other managers weigh in on it before finalizing it. With respect to the litigation procedures, I have put together draft memos entitled: Notice of Injury and Claim and Notice of Potential Litigation. These and the other litigation documents will be available on the intranet site when completed and will give advice to employees as to what they should and shouldn't do, their rights, and what they can expect. I am preparing another one on the discovery process where the primary focus will be on depositions and how they work. If the committee has questions or wants to see the drafts on these and other documents as they are developed, please advise me.

Case No.: 19 CV 94

WOOD COUNTY,

COMPLAINT

NOW COMES THE PLAINTIFF, The Estate of Trequelle Tyreke Vann-Marcoux, by its Special Administrator Debra Ann Vann, by its attorneys, Gingras, Cates & Wachs by Dana J. Wachs and Paul A. Kinne, and hereby states the following as the Complaint in the above-referenced matter.

NATURE OF PROCEEDINGS

1. This is a civil action under 42 U.S.C. sec. 1983, the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, including but not limited to the Substantive Due Process Clause, brought to redress the defendant's deliberate indifference to a serious medical condition, namely suicide, at the Wood County Jail, that resulted in the death by suicide of Trequelle Tyreke Vann-Marcoux (Trequelle Vann).

PARTIES

2. At all times relevant to this action, Trequelle Vann was an adult resident of the State of Wisconsin. He died on August 19, 2018. Accordingly, his estate, by Special Administrator

Debra Vann, is the proper plaintiff.

3. Wood County is a municipal corporation organized pursuant to the laws of the State of Wisconsin. Wood County operates the Wood County Jail.

JURISDICTION and VENUE

4. This court has jurisdiction over plaintiff's claims pursuant to 42 U.S.C. § 1983, the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, and 28 U.S.C. §§ 1331 and 1343.

5. Venue in the Western District of Wisconsin pursuant to 28 U.S.C. § 1391 is proper insofar as the defendant is located in this district, and the events giving rise to the claim took place within this district.

FACTUAL ALLEGATIONS

6. Wood County operates the Wood County Jail and is responsible for setting policies for the treatment of detainees.

7. Wood County is required to establish and implement policies and procedures designed to identify serious medical conditions from which detainees suffer, and it is required to establish and implement policies and procedures for the care and observation of detainees.

8. On or about August 2, 2018, Stevens Point police officers arrested Trequelle Vann and took him to the Wood County Jail where he remained until his injury.

9. Officials at the Wood County Jail knew that Trequelle Vann was suicidal.

10. In spite of this knowledge, Wood County personnel failed to monitor Trequelle Vann for suicide risk.

15. Prior to Trequelle Vann's death, Wood County experienced multiple suicide attempts, at least some of which were completed by death.

16. In response to these suicide acts, Wood County made no changes to policies designed to prevent future suicides, despite the knowledge that its policies were inadequate.

**CAUSE OF ACTION AGAINST WOOD COUNTY
DELIBERATE INDIFFERENCE TO A SERIOUS MEDICAL NEED
OFFICIAL CAPACITY CLAIM**

17. Plaintiff states the preceding paragraphs as if set forth fully herein.

18. Wood County's knowing failure to have policies, procedures and / or protocols by which suicide risk could be identified and by which suicidal prisoners could be monitored for suicide prevention violated Trequelle Vann's rights as set forth in the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, as such failure demonstrates a deliberate indifference to a known serious medical condition (suicide).

19. Wood County's conduct alleged in the previous paragraph caused Trequelle Vann severe and permanent physical, emotional, psychological and economic injuries, including death.

WHEREFORE, the plaintiff demands a trial by jury and the following relief:

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
- United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
- United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
- Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
- Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
- Original Proceedings. (1) Cases which originate in the United States district courts.
- Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
- Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
- Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
- Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
- Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
- Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
- PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7.** Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
- Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.

THE ESTATE OF CASEY TESKOSKI, by its Special
Administrator John Teskoski,

Plaintiff,

v.

Case No.: 19 CV 95

WOOD COUNTY,

Defendants.

COMPLAINT

NOW COMES THE PLAINTIFF, the Estate of Casey Teskoski by John Teskoski, by its attorneys, Gingras, Cates & Wachs by Paul A. Kinne and Bremer & Trollop Law Offices, S.C., by Christine Bremer Muggli, and hereby states the following as its Complaint in the above-referenced matter.

NATURE OF PROCEEDINGS

1. This is a civil action under 42 U.S.C. sec. 1983, the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, including but not limited to the Substantive Due Process Clause, brought to redress the defendant's deliberate indifference to a serious medical condition, namely suicide, at the Wood County Jail, that resulted in the death by suicide of Casey Teskoski.

PARTIES

2. At all times relevant to this action, Casey Teskoski was an adult resident of the State of Wisconsin. She died on December 29, 2017. Accordingly, her estate, by Special Administrator John Teskoski, is the proper plaintiff.

3. Wood County is a municipal corporation organized pursuant to the laws of the State of Wisconsin. Wood County operates the Wood County Jail.

JURISDICTION and VENUE

4. This court has jurisdiction over plaintiff's claims pursuant to 42 U.S.C. sec. 1983, the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, and 28 U.S.C. secs. 1331 and 1343.

5. Venue in the Western District of Wisconsin pursuant to 28 U.S.C. sec. 1391 is proper insofar as the defendant is in this district, and the events giving rise to the claim took place within this district.

FACTUAL ALLEGATIONS

6. Wood County operates the Wood County Jail and is responsible for setting policies for the treatment of detainees.

7. Wood County is required to establish and implement policies and procedures designed to identify serious medical conditions from which detainees suffer, and it is required to establish and implement policies and procedures for the care and observation of detainees.

8. On or about December 8, 2017, Casey Teskoski began a period of incarceration at the Wood County Jail.

9. Officials at the Wood County Jail knew that Casey Teskoski was suicidal.

10. In spite of this knowledge, Wood County personnel failed to monitor Casey Teskoski for suicide risk.

11. On or about December 22, 2017, Casey Teskoski hanged herself at the Wood County Jail.

12. Casey Teskoski died on December 29, 2017, as a result of injuries sustained from hanging on December 22.

13. Wood County, as a matter of policy, failed to provide staff with adequate training in suicide risk recognition and prevention.

14. Wood County, as a matter of policy, failed to provide sufficient staff to monitor prisoners known to be suicidal.

15. Prior to Casey Teskoski's death, Wood County experienced multiple suicide attempts, at least some of which were successful.

16. In response to these suicide acts, Wood County made no changes to policies designed to prevent future suicides, despite the knowledge that its policies were inadequate.

**CAUSE OF ACTION AGAINST WOOD COUNTY
DELIBERATE INDIFFERENCE TO A SERIOUS MEDICAL NEED
OFFICIAL CAPACITY CLAIM**

17. Plaintiff states the preceding paragraphs as if set forth fully herein.

18. Wood County's knowing failure to have policies, procedures and / or protocols by which suicide risk could be identified and by which suicidal prisoners could be monitored for suicide prevention violated Casey Teskoski's rights as set forth in the Fourth, Eighth and Fourteenth Amendments to the United States Constitution, as such failure demonstrates a deliberate indifference to a known serious medical condition.

19. Wood County's conduct alleged in the previous paragraph caused Casey Teskoski severe and permanent physical, emotional, psychological and economic injuries, including death.

WHEREFORE, the plaintiff demands a trial by jury and the following relief:

1. Judgment in an amount sufficient to compensate the plaintiff for her injuries and losses;
2. Equitable relief designed to prevent future violations of the law;
3. Pre- and post-judgment interest;
4. An award of attorneys' fees and costs; and
5. Any other relief the Court deems just to award.

CITIZENS (WOOD COUNTY) GROUPWATER GROUP MEETING

DATE: Monday, February 18, 2019
TIME: 2:00 p.m.
LOCATION: Wood County Riverblock Building, Conf Room 206

Present: Rick Bakovka, Jeff Brewbaker, Rhonda Carrell, Bill Clendenning, Bruce Dimick, Nancy Eggleston, John Endrizzi, John Eron, Gordon Gottbeheut, Mark Holbrook, Kim Keech, Bill Leichtnam, Logan Manthe, Jen McNelly, Doug Passineau, James Schuerman, Rep. Katrina Shankland, Nancy Turyk, Hannah Wendels and Shane Wucherpfennig.

1. **Call Meeting to Order:** Bill Leichtnam called the meeting to order at 2:02 pm.

2. **Correspondence/Updates:**

Rep Katrina Shankland updated the committee regarding 2019 Assembly Bill 21. If passed in Governor Tony Ever's budget, this bill requires the DNR to administer a program to provide grants for the testing of privately owned wells. The bill also makes changes to the Well Compensation Program administered by the DNR. The bill prioritizes most contaminated private wells containing nitrate contamination above specified levels and where a significant number of wells contain coliform bacteria or other contaminants at a level that exceeds public health standards. The Well Compensation Program grant funding for private well homeowners will be based on income.

Rep Katrina Shankland shared that she is the Vice Chair of Speaker Robin Vos Water Quality Task Force. The Water Quality Task Force is a bipartisan group. The Chair of the Water Quality Task Force is Rep Todd Novak. Rep Katrina Shankland encourages everyone to attend and testify at public hearings.

Bill Leichtnam shared three articles as handouts at the meeting:

- A. Collaboration Eyed For Crawford, Vernon and Richland County Well Testing Effort – Bill Leichtnam encourages everyone to read this article. Bill Leichtnam shared that Vernon County is very likely to move ahead with the well water testing in 2019, using funds they hope will be approved from the county's Ho-Chunk payment.
- B. Water Woes: Wisconsinites Fight for Clean Water – Bill Leichtnam commented that this article is regards to the Memorandum of Understanding that was agreed upon in January between Juneau County, Wood County, DNR, EPA and the Armenia Grower's Coalition. This article mentions that Keith Iverson moved from Milwaukee to Armenia in 2000 where he makes coffee every morning from his well and that nobody has offered him bottled water yet.
- C. Water Quality in Wisconsin – Bill Leichtnam shared that this article talks about what citizens can do regarding groundwater protection legislation. Governor Tony Ever's declared 2019 The Year of Clean Drinking Water in Wisconsin. The article states to contact your county, city, village and town board supervisors to ask what they are doing. It also tells citizens to get educated and look for water quality public events. Citizens can also contact their county health, conservation and extension departments.

3. **SPEAKER-John Eron-Farmer led efforts of Mill Creek Farmers**

John Eron is a cash crop farmer in the Rudolph area utilizing no-till planting and cover crops. John Eron shared the farmer led efforts of Mill Creek Farmers and is part of the farmer-led Farmers of Mill Creek Watershed Council. The group is working together to improve water quality in Mill Creek, which flows from Marshfield to Stevens Point through Wood and Portage Counties. The farmers are voluntary working together to reduce phosphorus along Mill Creek. They are assisted by UW-Extension, and Portage and Wood counties' Land & Water Conservation Departments. Additional support comes from the Friends of Mill Creek which is a volunteer community based non-profit organization that supports landowners in rehabilitating Mill Creek. Friends of Mill Creek Council are made up of approximately 75 farmers. The average farm size is 1,000 acres with 300-400 dairy cows.

4. **Update on MOU w/ AGC (Juneau Co Board action) & status of bottled water distribution and RO System Installation**

Nancy Eggleston updated the committee on the MOU phone conference on January 28th with Armenia Growers Coalition, Wood County, Juneau County and the DNR. 1,283 letters were mailed to residents which includes re-sends. 322 letters were returned. 309 wells were identified and include some without drinking water wells. There will be a second round of letters to be mailed in the spring. Bottled water is supplied weekly to the residents accessing a call hotline. 45 households were contacted last spring with 28 reaching out to the Armenia Growers Coalition in response to the campaign. 21 households wanted systems and received bottled water. 3-4 households received water as they contemplated whether or not they wanted an RO system. They are doing 18 gallon delivery to 2-3 homes per week. Many residents have not signed the access agreement. Some wells cannot be accessed due to weather. RO Systems are an option but over 30 ppm nitrates won't work as a treatment option. Well replacement is another option for those over 30 ppm nitrates but may not be feasible. Well data will be collected.

5. **Planned JOINT MEETING of Wood, Juneau & Adams County Land & Water, Health Departments, UW-Extension and committees**

Bill Leichtnam shared that on Thursday, January 24th was the initial meeting on how counties will work together on regional issues. The next joint meeting will be on Monday, April 29th. There are two parallel tracks one to consist of the county board and the other that will consist of the Health, Land & Water Conservation and UW-Extension Departments. Shane Wucherpfennig is taking the lead to schedule a future meeting with the county departments.

6. **CGG Recommendations to CEED (Action Items) Recommendations to full County Board, Legislature & Governor**

Bruce Dimick asked for an update of the status of the two motions from the January 21st meeting. Bill Leichtnam commented that the motion to share the "Steps needed to Protect Wisconsin Waters" list of possible solutions to Wisconsin legislatures Senator Patrick Testin, Rep Scott Krug, Rep Katrina Shankland, Rep Nancy VanderMeer has been completed.

Bill Leichtnam shared the second motion to delegate a member of the Citizens Groundwater Group to attend all public Speaker Robin Vos Water Quality Task Force meetings has not been determined. Mark Holbrook asked the committee who would be interested in attending. Bruce Dimick, Rhonda Carrell, Mark Holbrook, Gordy Gottbeheit, and Doug Passineau all expressed an interest and all are encouraged to attend. All who are available are encouraged to car-pool or ride with Bill Leichtnam. Bill Clendenning suggested to Bill Leichtnam that he should draft a letter to the Wood County Judicial & Legislature Committee to attend public Speaker Robin Vos Water Quality Task Force meeting on behalf of Wood County. The consensus of the committee was to send Bruce Dimick to represent the Citizens Groundwater Group and Bill Leichtnam to represent Wood County.

7. **"Membership Growth" of CGG (By-Laws)**

Bill Leichtnam explained that the Citizens Groundwater Group Committee is advisory to the Wood County Conservation, Education & Economic Development (CEED) Committee. Mark Holbrook shared that by-laws are rules adopted by the committee stating what rights the members have within the organization and how to behave. Bill Clendenning commented that a mission statement was created at an earlier meeting on April 27, 2017. The mission statement that was voted on and approved states "to cooperate and educate to sustain clean and safe water for all using science-based, measurable practices for the sandy soils in SE Wood County and central Wisconsin". The consensus of the group is that since the Citizens Groundwater Group Committee is advisory to the CEED Committee that by-laws aren't needed and fall under the jurisdiction of the CEED Committee.

8. **"Outreach Activities" of CGG**

Bill Leichtnam asked how the committee should get the word out to farmers and towns.

9. **Future Speakers to invite**

March – Rep Scott Krug, 72nd District Assemblyman

April – Rick Georgeson, representing PACRS, a Petenwell / Castle Rock landowners council which is working to restore water quality to that flowage will be the April speaker.

Nancy Turyk suggested that the committee should identify outreach steps and then figure out what speakers to invite based on those outreach steps. Nancy Turyk volunteered to assist the committee to identify the outreach steps.

10. **Roundtable**

- a. Mark Holbrook – Groundwater education will take time.
- b. Gordon Gottbeheit – There has been much discussion on nitrates and phosphorus. What kind of herbicides and pesticide levels are considered safe?
- c. Rhonda Carrell – What is the most affordable way to reduce pesticide levels?
- d. Bill Clendenning – Will Juneau County have water testing? Would like to hear from the citizens regarding the water testing.
- e. Jeff Brewbaker – Received a phone call from a Milwaukee Law Firm for a possible open records request regarding septic systems in Wood County.
- f. Nancy Eggelston – The Health Department is able to complete a water analysis for nitrates within 48 hours.

11. **Announcements of members / visitors (upcoming parallel events / meetings)** John Endrizzi shared that there will be Groundwater Expo on June 8th @ 11:00 a.m. at the Town of Rome. The event is being hosted by the 14-Mile Creek Watershed.

Wood County
Conservation, Education & Economic Development Committee

Attn: Kenneth A Curry, CEED Committee Chair
CC: Doug Machon, Wood County Board Chair

We, the undersigned, are representatives of key organizations working to advance economic growth and prosperity in Wood County. Each of us and our organizations is committed to partnering to develop strong collaborations in order to effectively solve issues that our communities and regions face, recognizing that our work is interdependent – a healthy, educated citizenry is an essential component of a strong economy.

We write today to ask that the Wood County CEED Committee explore and consider membership in North Central Wisconsin Regional Planning Commission.

As demonstrated in the attached document, our region has had episodic membership in NCWRPC, most closely aligned with the need to demonstrate membership to increase competitiveness for grant resources. Our membership pattern aligns with grant dollars secured to assist with important infrastructure and community facilities in the region.

We believe NCWRPC membership would be valuable in many respects, including not only short and long-term funding for economic growth strategies, but also access to data, planning tools and leadership. Further, we believe by committing to NCWRPC membership, we are strengthening its' capacity and our relationship as a trusted partner seeking a common goal: a thriving economy.

We are available to discuss this request with your committee and/or members of the Wood County Board as needed. Thank you for your consideration.

Wood County
Security Committee Minutes
February 18, 2019

PRESENT: Bill Clendenning, Bill Leichnam, Dennis Polach, Reuben VanTassel, Randal Dorshorst, Shawn Becker, Laura Clark, Trent Minor

Meeting Called to order at 9:01 a.m.

New Business:

Sheriff's Department Security Staffing Proposal: Sheriff Becker handed out a Courthouse Security Proposal that was put together by his department in reference to the cost of funding deputies, part-time deputies, as well as equipment and uniforms, etc. for providing security in the courthouse. As part of the proposal, there will be a new Lieutenant position created to supervise the overall courthouse security. The Lieutenant will be responsible for scheduling of deputies, safe movement of inmates from the jail, key card/safety audits, courthouse incident investigations, e-filing/signing for the DA's office, traffic and juvenile court, as well as Drug Court security. The Lieutenant will also coordinate/facilitate training pertinent to courthouse security. Two deputies would be hired as well as part-time deputies to staff the security station on the first floor for hours the courthouse would be open. It will be determined exactly what hours they will work once everything comes together. The deputies will also be walking the corridors of the courthouse throughout the day and on trial days their presence will be known in the courtroom. Sheriff Becker stated the new Lieutenant position would be a promotion within the department and there will be a recruitment process started for new hires.

The proposal provided an estimated yearly cost. It also included the cost of starting the program on July 1, 2019. It was stated the program could be started at any time after July 1, 2019. The cost of the program would then be adjusted accordingly.

Reuben stated Phase 1 will be complete by July 1st, as equipment is ordered and some has arrived. He will be working with Sheriff Becker in outfitting a locker room for the security office.

It will have to be determined how the door entrances will be utilized by employees. It was thought all employees would use the front doors and go through the security check to come into the building but may be able to leave out any door in the courthouse. This will be discussed further in depth at a later date.

It was stated that courthouse security is the number one priority; however there was concern over the cost to provide it. Chief Deputy Dorshorst stated the money for security in 2020 would be coming out the Sheriff's Department 2020 budget.

Supervisor Clendenning stated he would like the Judicial and Legislative Committee to co-sponsor a resolution with the Public Safety Committee to authorize the funds for this project to come from the Contingency Fund so the courthouse security project can start in 2019, with the hope of getting it to County Board in April. Supervisor Polach was in agreement with this.

Next Meeting: February 26, 2019 @ 12 noon

Adjourned: Meeting adjourned at 9:47 a.m.

Lieutenant (1)	\$108,687

Total Estimated Start-up Cost (2020):	<u>\$351,215</u>

The cost to start the program and operate July 1, 2019 - December 31, 2019 will be approximately \$191,608. If the program is started in 2019, the overall costs for year 2020 would be reduced by approximately \$30,000 to \$321,215 (reduction would be the result of equipment, uniforms and hiring process being paid at start-up). A deputy eligibility list is being started March 2019. Deputies could be hired in June of 2019. Part-time deputies will staff vacancies and additional courthouse assignments. If the Department is responsible for staffing bailiffs, the figure provided for part-time deputies would need to be adjusted.

RESOLUTION # _____

Date: March 19, 2019

Effective date: March 19, 2019

Introduced by the Judicial and Legislative Committee

INTENT & SYNOPSIS: To amend the 'County Board Rules' with respect to the number of members on the Executive Committee and the method of appointing the committees of the County Board.

FISCAL NOTE: A small savings in county board supervisor per diems.

WHEREAS, The Judicial and Legislative Committee is responsible for studying suggestions for changes to the Rules and Committees of the Wood County Board of Supervisors, and

WHEREAS, The Judicial and Legislative Committee believes that there isn't a need for more than five members on the Executive Committee and that due to its level of responsibilities the membership of the Executive Committee should be selected directly by the board at large, and

WHEREAS, The Judicial and Legislative Committee believe that the county should return to its past practice of having both a first and second vice chair appointed by the county board at large to promote smooth transitions of power, and

WHEREAS, the Judicial and Legislative Committee believe that a broader sharing of power at the top could be accomplished by having the Executive Committee name the members of the main and special committees of the board, and

WHEREAS, the Judicial and Legislative Committee support having the Executive Committee elect one of its members to serve as its chair and a different member serve as the Administrative Coordinator,

NOW, THEREFORE, THE WOOD COUNTY BOARD OF SUPERVISORS HEREBY RESOLVES to amend the Rules and Committees of the Wood County Board of Supervisors as follows:

Section 1. Rule 35 entitled: Use of Ballots, is rescinded and recreated to read: The County Board shall elect by majority vote the County Board Chairperson, First Vice-Chairperson and Second Vice-Chairperson, said elections to be by secret ballot.

Section 2. RULE 37 entitled: Organizing Committees is rescinded and recreated to read: The newly elected County Board Chairperson shall call a meeting of the Executive Committee within seven days of the biennial organizational meeting. The Executive Committee shall elect one of its members as the Executive Committee Chair and a different member as the County Administrative Coordinator. The Executive Committee will then appoint members to the appointed and special committees of the Wood County Board of Supervisors.

Section 3. Rule 39, which requires the naming of the county board committees within three days of the April biennial organizational meeting, is hereby repealed.

Section 4. The first paragraph of the main committee description of the Executive Committee shall be changed to read:

Membership shall consist of the County Board Chair, the First Vice-Chair and the Second Vice-Chair and two members elected at large from the County Board. The committee shall elect its Chairperson, Vice-Chairperson and Secretary.

Subject: RE: Draft Resolution

Hi Peter ---

It appears that this resolution is meant to disburse power away from a county board chairperson and more evenly over the entire county board, and to that end, I wonder if Rule 4B is something they wanted to amend or delete.

In addition, there is some language in Rule 16 that should be talked about.....it allows the county board chair to claim expenses and per diem for travel within the state to attend to concerns of the county.....if the Administrative Coordinator is no longer the county board chair, that should be looked at. There are a couple of other instances where the county board chair has authority to authorize travel for employees if timing doesn't allow for committee approval. Wondering if that should be re-worked as well. Same holds true for attendance at the WCA Convention.....should that wording be looked at to include an Administrative Coordinator?

Rule 20.....should it also include the 2nd Vice Chair?

Rule 36.....should this be looked at now that committee chairs are not going to necessarily be on the Executive Committee? That rule was put in there when they changed the rule to expand the Executive Committee a couple of years ago.

Rule 39....this rule runs in direct contradiction to what is being proposed. Probably needs to be eliminated altogether.

Rule 41....if the Executive Committee is appointing committees, then the chair probably won't be appointing to fill vacancies?

Then I wonder how we fill citizen appointments.....oversight committees make recommendations to the chair, or at times, departments make that recommendation....i.e. Civil Service Commission, Library Board.....etc.

I apologize if I am over thinking their intent but these are just some things that I noticed after reading the proposed resolution.

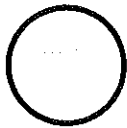

If you want to talk about it more, let me know.

Thanks!

WHEREAS, the Judicial and Legislative Committee is responsible for studying changes to the "Rules" and making recommendations therefor to the County Board, and

opportunity for oversight committees and department heads to discuss what the expectations are of the committees in staff attending county board and other meetings, and
