## **Notice of Park Openings and COVID-19 Restrictions**

We recognize that our parks, forests, trails and open spaces can continue to be used in a safe manner during the COVID-19 pandemic. We ask that our visitors continue to follow the guidelines outlined by Governor Evers' most recent "Safer at Home" order, which runs through May 26, 2020.

Among other things, the "Safer at Home" order requires the following: persons reduce non-essential travel, practice 6' social distancing, and avoid social gatherings in groups of 10 or more people. Please stay home if you are sick. In following these requirements, with the goal of keeping our guests and employees safe, we will be opening various park and forestry areas on May 1<sup>st</sup>, with a few restrictions.

**Non-Compliance to the Safer at Home order may lead to closed parks, please do your part to follow local, state, and Federal CDC guidelines.**
