

## Health and Human Services Committee Agenda

Thursday, April 28, 2022, 5:00 pm

River Block Building, Room 206

111 W Jackson St, Wisconsin Rapids

- 1) Call to order
  - 2) Declaration of quorum
  - 3) Election of Chair and Vice-Chair
  - 4) Public comments
  - 5) **Consent Agenda:**
    - a) Meeting minutes:  
Health and Human Services Committee (HHSC) ... March 24, 2022
    - b) Narratives:  
Department Head/Supervisor Monthly Reports/Narratives: Edgewater Haven, Veterans Service Officer (CVSO), Health Department, Human Services  
Other Narratives/Reports/Informational Material/Resolutions: Health Department, Edgewater Haven, Veterans Service, and Human Services credit cards detail, Edgewater Haven marketing report, Edgewater Haven caseload statistics, Edgewater Haven Physical/Occupational Therapy (PT/OT) report, CVSO supporting documents/educational material
    - c) Vouchers: Vouchers from Edgewater Haven, Health Department, Human Services, Norwood Health Center, Veterans Service
- Consent agenda items will be acted upon by the Health and Human Services Committee in one motion without discussion unless a Committee member requests an item(s) be removed for discussion and separate consideration**
- 6) Discussion and consideration of item(s) removed from consent agenda
  - 7) Financial Statements: Edgewater Haven, Human Services, Norwood Health Center  
Quarterly Reports: Veterans Service, Health Department
  - 8) Review of retention and recruitment efforts of critical positions
  - 9) Discussion of Human Services Risk Reserve
  - 10) Review and Approval of Human Services, Edgewater, and Norwood 2023-2027 CIP
  - 11) Committee discussion and recommendation of public member appointment to HHSC
  - 12) Legislative issue updates
  - 13) Future agenda items
  - 14) Next meeting(s):
    - May 26, 2022; 5:00 pm Wood County River Block Building, Room 206 – Wisconsin Rapids
  - 15) Adjourn

## HEALTH AND HUMAN SERVICES COMMITTEE

**DATE:** March 24, 2022

**PLACE:** River Block Building, Room 206 – Wisconsin Rapids (meeting also accessible via WebEx)

**PRESENT: (in-person)** Donna Rozar, Adam Fischer, Tom Buttke, Lee Thao, John Hokamp, Lori Nordman, Laura Valenstein **(via WebEx)** Kristen Iniguez DO, Rebecca Spiros RN

**ALSO PRESENT (for all or part of the meeting):** Brandon Vruwink, Mary Solheim, Marissa Kornack, Kyle Theiler, Mary Schlagenhaft (Human Services); Rock Larson (Veterans Service); Sue Smith (Health Department); Reuben Van Tassel (Maintenance); Bill Clendenning (County Board Supervisor)

**1) Call to Order**

Meeting called to order at 5:00 p.m. by the Chair.

**2) Quorum**

Rozar declared a quorum.

**3) Public Comments**

n/a

**4) Consent Agenda**

Pages 13 and 19 were pulled.

**5) Discussion and consideration of items removed from consent agenda**

- DEPARTMENT – Human Services: Question on page 19 about energy assistance program participation going up in Wood County when Wisconsin as a whole went down. Brandon Vruwink explained that Wood County energy assistance participation increased due to outreach to find additional eligible individuals.
- DEPARTMENT – Human Services: Supervisor Fischer wished to acknowledge an award explained on page 19, which indicated that Stephanie Wanserski was nominated and selected to receive a 2022 Secretary's Caring for Kids Award.

Motion (Hokamp/Lee) to approve the consent agenda. All ayes. Motion carried.

**6) Financial Statements – Edgewater Haven, Human Services Community, Norwood Health Center**

Department staff answered questions regarding information in the financial statements.

**7) Review of retention and recruitment efforts of critical positions**

Marissa Kornack updated the Committee on progress made with recruitment efforts. Updated wage scale and other changes are having a positive impact. Kyle Theiler expanded on Indeed enhanced access. Discussed international recruitment activities, visas, and other policy issues. Staff answered additional questions from the Committee.

**8) Discussion of Human Services Risk Reserve**

Brandon Vruwink provided a handout with historical data on the risk reserve to the Committee. Discussed an appropriate amount of money to be placed in a risk reserve for the Human Services Department to pay for high-cost out-of-home placements. The Committee directed staff to talk with Corporation Counsel and the Finance Department to determine the best process to establish an appropriate risk reserve.

**9) Norwood Transfer of Agency Position to County FTE**

Marissa Kornack explained the request to the Committee to move one CNA FTE from the contracted services line to the Wood County budget line, which would save the county about \$25,000 over the remainder of 2022. Motion (Buttke/Fischer) to convert one contracted CNA FTE position to a regular county position. All ayes. Motion carried.

**10) Edgewater Haven 2023 Holidays**

Kyle Theiler explained that there is a difference in the holiday schedule for staff at Edgewater. Management staff fall under the same holiday schedule as Courthouse and River Block employees. Other Edgewater

employees have six standard holidays and four floating holidays (as does Norwood staff). Kyle is requesting to transition the Edgewater holiday schedule so all have the same holiday allocation. Motion (Lee/Valenstein) to approve request to transition all Edgewater employees to a holiday schedule to include six standard holidays and four floating holidays. All ayes. Motion carried.

**11) Veterans possible ARPA request for small veteran owned business project**

Rock Larson reviewed the project included in the packet. An initial conversation occurred and Rock will bring additional information and the request to the ARPA Ad Hoc Committee in the future. Rock answered questions from Committee members.

**12) Health Department Strategic Planning**

Sue Smith explained that the Health Department is beginning internal strategic planning. Sue provided the model to be used and timeline. Will update the Committee as the process moves along.

**13) Appointment of RN member for three-year term ending April-2025**

Rebecca Spiros completed the previous RN term and the position is up for a new three-year term. Rebeca is willing to serve this full term. Motion (Buttke/Hokamp) to recommend to the county board chair that Rebecca is appointed to a full three-year term on the Committee to end in April of 2025. All ayes. Motion carried.

**14) Legislative Issue Updates**

Department heads provided updates regarding issues pertaining to their departments.

**15) Future Agenda Items**

The Chair noted items for future agendas.

**16) Next Meeting(s)**

- April 28, 2022, 5:00 pm, River Block Building, Room 206 – Wisconsin Rapids with WebEx option

**17) Adjourn**

Rozar declared the meeting adjourned at 6:03 p.m.

Minutes taken by Sue Smith and subject to Committee approval.

*If you have any questions about this report, please contact Sue Smith at 715-421-8928 (W) or 715-213-8493 (Cell) or [ssmith@co.wood.wi.us](mailto:ssmith@co.wood.wi.us)*

## **ADMINISTRATIVE REPORT – SUE SMITH, RN, MSN**

### COVID Updates

We are down to an average of 5 cases of COVID-19 per day and currently (April 10) have 20 active cases. For current data, please visit our dashboard at:

<http://woodwi.maps.arcgis.com/apps/opsdashboard/index.html#/da7f0d6815494e4b85e614e042671b14>

We have transitioned to weekly updates to our dashboard as daily updates are not necessary at this point. We have discontinued our twice-weekly testing at St. John's Church and are conducting testing outside our building by appointment. As a reminder, individuals can go to <https://www.covidtests.gov/> to request FREE home test kits. Kits take 7-12 days to arrive, so people are encouraged to order them now so they have them on hand when needed. For current testing information, visit: <https://www.co.wood.wi.us/Departments/Health/CovidTesting.aspx>

We will continue to offer pop-up COVID-19 vaccination clinics in various locations throughout Wood County (see <https://www.co.wood.wi.us/Departments/Health/CovidVaccination.aspx>).

### Strategic Planning

We are continuing to work with a facilitator on internal strategic planning for the health department. I'm anxious to dig into non-COVID public health work and anticipate planning for some revised policies and practices to support our workforce to the best of our ability. We have several teams within the department that are doing their own mini-strategic planning to determine what their specific program priorities will be going into the future.

### Groundwater

Getting back into the work on groundwater issues is one of my priorities. Nitrates continue to be a challenge, but other contaminants are becoming more prominent as well. I look forward to once again being able to attend the groundwater meetings and become more engaged in that work. The Citizen's Groundwater meeting currently occurs at the same time as a health officer meeting with WI DHS. Those are not good meetings to miss, so once DHS reduces the frequency of those meetings, attending the Citizen's Groundwater meeting will be feasible.

### Avian Influenza

You've likely heard about avian influenza issues in Jefferson and Rock Counties. I would like to get a handle on backyard poultry operations in Wood County. This is typically handled at the municipality level. Some towns, villages, and cities allow backyard poultry, some have written ordinances and permit processes in place, etc. I would like to develop situational awareness of the numbers of birds and approximate locations should we experience a case of Avian Influenza in Wood County. We will likely survey municipalities in the near future to begin some data collection on this topic.

## **COMMUNITY HEALTH IMPROVEMENT PLANNER REPORT – KRISTIE RAUTER EGGE, MPH**

### Staffing Update

Niki Lucht (formerly Euhardy) was hired as the Community Health Planner with the primary responsibility of leading the Community Health Assessment and Community Health Improvement Plan. Niki's first day was March 28th. Some of you may remember Niki from when she was a UW Population Health Service Fellow placed with us from 2017-2019. While Niki was a fellow serving at WCHD, her projects included facilitating the department's Health Equity Team, developing and implementing the health equity and community engagement plans, conducting a Health Impact Assessment on a low-income senior housing development, serving as the project manager for the grant that expanded our bike share program, analyzing health department policies, and writing grants.

Niki has a Masters of Public Health in Policy & Administration from UW Milwaukee's Zilber School of Public Health and is passionate about improving public health issues through equitable policy solutions. She has worked for multiple public health organizations throughout the state and has experience working on a variety of public health issues with primary focus areas of health equity, health in all policies, and community engagement. Niki comes to us from the Winnebago County Health Department where she was the Public Health Policy & Equity Coordinator for the past 3 years.

On a more personal note, Niki, her husband Landon, and their 3 cats Luna, Lily, & Lucky are excited to welcome identical twin baby girls in September! Niki is excited to be back at Wood County as a permanent employee!

### New to Public Health Residency Program

Staff are currently working through session 7 of the residency program, which focuses on maternal, child, and family health.

### Communications/Branding

Staff are meeting to discuss updating the Healthy People Wood County website. Edits to the layout, design, content, and readability are being planned. Staff continue to create and share information on various public health topics on the WCHD Facebook page, Healthy People Wood County Facebook page, and Instagram and are working to target communications to specific populations.

### COVID-19 Communications

COVID-19 communications continue to focus on reducing vaccine hesitancy and combatting misinformation. The monthly COVID-19 newsletter is transitioning back to the Public Health Press for April and will include a COVID-19 section.

### Public Health Policy

Policy briefs are being drafted for marijuana and e-cigarettes that will be disseminated to local legislators via email through Constant Contact.

### IMPACT (Previously the AOD Prevention Partnership)

IMPACT met on March 2 with a presentation from Maureen Busalacchi, Director of the Wisconsin Alcohol Policy Project, on the State Council Alcohol & Other Drug Abuse (SCAODA) report on Policies and Strategies to Prevent and Reduce Excessive Alcohol Use in Wisconsin. A link to the report including recommendations can be found here: <https://www.dhs.wisconsin.gov/scaoda/alcohol-prevention-report.pdf>. There was also a presentation by the new owners of Bethel Place. The Bethel Place location was purchased a year ago and turned into sober recovery housing. They offer low-income, affordable housing for people who need safe housing away from the temptation of substance use. They are currently at 50% capacity and offer a secluded location with access to outdoor activities such as camping, and low access to substances. More information can be found on the Bethel Place website: [www.bethel.place](http://www.bethel.place).

### RX committee

The IMPACT RX Committee met on March 3 to discuss the upcoming Prescription Drug Take Back Event taking place April 30. The committee discussed ways to increase drop-off participation including limiting the number of uniformed officers present that may intimidate community members from dropping off prescriptions. The committee is also working on setting up a sharps disposal box in Robinson Park and in a Marshfield city park. Custom Fabrication in Marshfield is working on a design for an outdoor kiosk for the sharps to go in. The committee is also working to increase Narcan distribution in the community.

### Youth Engagement Boot Camp

IMPACT members attended a youth engagement boot camp series throughout the month. This boot camp occurred each Tuesday of the month. This series focused on how to effectively engage the youth. IMPACT members were able to join the boot camp thanks to a funding opportunity through Northwoods Coalition.

### THC Committee

The IMPACT THC Committee met on March 17 and learned more about how the local high schools address THC use within the schools. The schools treat Delta 8 products the same way that they treat any other THC products. Any illegal or intoxicating substance found within school grounds will involve the authorities. Students may be expelled or placed on pre-expulsion, with a list of agreements to be fulfilled before coming back to school and throughout the remaining school year. The committee is working on additional resources for students involved with THC/Delta products at school and their parents. Vaping Delta 8 is a concern at the schools and a majority of the products are said to be purchased online, since there is no compelling verification of age required for the purchase. The THC Committee will be creating a presentation on Delta 8 and recommendations for youth prevention in the community.

### Providers And Teens Communicating for Health (PATCH)

PATCH Teen Educators met for biweekly enrichment trainings to learn how to establish and maintain healthy relationships and about reproductive health. Knowledge gained from these trainings will assist Teen Educators in making educated health decisions not only for themselves, but to also positively influence those around them. On March 14<sup>th</sup>, Teen Educators presented a PATCH for Providers 90-minute accredited workshop for UW-Eau Claire Nursing program students. During this workshop, teens delivered an impactful performance that focused on current youth health issues and addressed the rights, responsibilities, and relationships involved in becoming a healthy young adult. Participants in this workshop earned 1.5 hours of Continuing Education Units for attending.

### Nicotine Prevention Alliance of Central Wisconsin and WI Wins

The Nicotine Prevention Alliance of Central Wisconsin met with two state representatives in March to discuss tobacco and nicotine use among youth. Representative Nancy VanderMeer and the office of Representative Donna Rozar met with alliance members from the Wood and Marathon County Health Departments, Youth for Christ Juvenile Justice Ministries, and a retired respiratory therapist community volunteer. Information was shared from the Annual National Youth Tobacco

Survey and more recent trends we are seeing with synthetic and oral nicotine products. Information was also shared on local outreach initiatives through the WI Wins program.

After halting the WI Wins tobacco compliance checks during the pandemic, the first round of checks since 2019 was completed in March. Two youth volunteers (ages 16 and 17) visited 11 tobacco or nicotine retailers in south Wood County with an adult coordinator and AmeriCorps Member. The youth volunteers were sold tobacco/nicotine products 5 out of the 11 attempts, which is a 45% sales rate. Several outreach activities are being planned to help retailers understand the federal tobacco 21 law and the importance of not selling these products to minors. If Wisconsin's state compliance rate reaches above 20% through the Synar Survey (annual federal survey), the state could lose millions of dollars through the prevention block grant.

#### NARCAN Direct Program

Wood County Health Department will be partnering with all Wood County law enforcement agencies to provide officers with the lifesaving drug, NARCAN®. Nasal NARCAN® (or naloxone) reverses the effect of an opioid overdose that may have resulted from using a prescription opioid (such as Vicodin or Oxycodone) or illicit opioids (such as heroin or illicitly produced fentanyl). A recent increase in fentanyl-laced products has warranted an increase in the distribution and availability of the life-saving drug, naloxone. Fentanyl (or one of its many analogs) is roughly 100 times more potent than heroin and has been found in many non-opioid substances, such as methamphetamine, cocaine, and marijuana. It can also be found in counterfeit pills.

#### Mental Health Matters

The month of March for Mental Health Matters continued to gain a bit more traction in regards to pursuing some of the behavioral health initiatives outlined within the Community Health Improvement Plan (CHIP). Work around the Adverse Childhood Experiences (ACE) Training, the Wood County Jail Data, the Hmong Leadership Workgroup, among other initiatives, saw continued movement.

In regards to the ACE training work, staff attended a statewide trainer meeting in March. The trainer's group focused on providing updates on new training slides, logistical considerations of trainings, as well as a need for an organization to take on the role as the coordinator of ACE trainers in Wisconsin. There are plans to convene a local group of trainers for Wood County to carry out the ACE Interface trainings locally.

In addition to laying out the framework for an ACE Trainer workgroup, staff attended and helped facilitate the debrief for the Hmong leadership training series. The Hmong leadership training group looks to build the capacity of Wood County residents who identify as being Hmong to be leaders within the community. The training series had four parts in which the attendees learned multiple aspects of being a leader, with the end goal of assuming a leadership position in the community. Multiple attendees have since gained a leadership role in their community. Additional trainings and opportunities are being looked at.

Aside from the workgroup-related initiatives, staff continued work on the Wood County Jail Data. It was discussed that the data was to be finalized by May and that an in-depth analysis would be carried out by University of Wisconsin Population Health Fellow Coriann Dorgay.

Lastly, UWSP intern Julia Beres continued her work on building out resource lists and surveys for local organizations. The resource lists and surveys are based on Trauma and Resilience and Suicide Prevention. Julia wrapped up the lists and surveys and sent them out to various Wood County Organizations. Results will be shared out to local trainers. Aside from the surveys and resource lists, Julia continued updating the Trauma-Informed Culture (TIC) Toolkit.

#### Bike Share/Active Communities

The River Riders and Marshfield Community Bike Share programs are gearing up for the 2022 season! The 6 racks and 32 bikes in Wisconsin Rapids with the River Riders program will be in the community at the beginning of May. We are scheduling an exciting launch event during Wisconsin's Bike Week to have a community bike ride with Grand Rapids Police Chief Mel Pedersen and Wood County Sheriff Shawn Becker. More details to come soon. The 4 racks and 20 bikes with the Marshfield Community program will be available in north Wood County towards the end of May. We are also scheduling a fantastic launch event in Marshfield with the Marshfield City Police Chief Jody Geurink. More details to come soon. New to the Marshfield Community Bike Share program this year will be the addition of one accessible bike. The program will have a tricycle available for rent at one of the four locations throughout the city of Marshfield.

Another new opportunity for the bike share program took place during the last week of March. We worked with the Wood County Youth Justice Program through Health and Human Services to host 2 bike maintenance workshops for youth who are interested in learning more about bike maintenance and maintenance work in general. We met with the youth for 1 hour. The workshops were led by our bike share program maintenance technician, Jake Thomas. Our bike share team had a blast planning and implementing these workshops with the Youth Justice Program coordinators. The youth that participated got hands-on experience in changing bicycle brakes and handlebars, and learning how to diagnose an issue with a bike. With the success of these workshops, we are excited to plan more of these throughout the summer months

with both Youth Justice Programs in Wisconsin Rapids and Marshfield. This is a unique opportunity that the bike share programs in Wood County are proud to be part of and grow as the season begins.

#### Food Systems/Farmers Market

All market managers within the USDA Farmers Market Coordinating grant have been connected with to begin planning the data gathering that will take place with UW Madison Farm to Facts program. A team of folks is presenting at the Health and Hunger Conference in Wisconsin Dells at the end of April, sharing the plans included in the grant and learning from others in the field. Planning for the Wisconsin Rapids Downtown Farmers Market is underway and vendor meetings are planned for early May. The market will run from June through the middle of October this year. The Wood County Farmers Market Website was recently updated. <https://www.woodcountyfarmersmarkets.com/>

#### **ENVIRONMENTAL HEALTH REPORT – BEN JEFFREY, R.S.**

##### Port Edwards/Armenia Groundwater Issues-MOU progress

There is no new reportable activity on the MOU.

##### Wood County Water Lab

The Wood County Water Lab completed its triennial NR 149 audit this month. This extensive audit reviews lab procedure, data, and record retention as required by NR 149 to maintain lab certification. Chapter NR 149 establishes the program for the accreditation of laboratories performing nitrate testing and is enforced by the Wisconsin DNR.

##### Staff Training

Staff completed training held by the Wisconsin DNR with an emphasis on Disinfection and Chlorination. Staff also completed some webinars this month including “WEHA Wednesday’s Webinar- Underground Storage Tanks: A Regulatory Overview” and “Flint and Lead: The Water-Public Health Connection offered by the American Public Health Association”. Staff also joined Clark County personnel in joint inspections as well as Hazard Analysis Critical Control Point (HACCP) training opportunities provided by the Wisconsin Department of Ag, Trade, and Consumer Protection (DATCP).

##### New Businesses and Consultations

Staff conducted a consultation for a retail food business developing a new HACCP plan for a specialized process. A pre-licensing inspection was completed for a bar and restaurant in Lindsey due to new ownership. A pre-licensing inspection was completed for Hub City Ice Cream due to new ownership. A pre-licensing inspection was completed in Marshfield for Kat’s Sweet Treats.

##### Complaint Investigations

Ten complaint investigations were received in the month of March.

- A complaint was received on a licensed establishment regarding a sick employee being at work. Staff followed up with management and determined that proper reporting agreements were followed and the sick employee was not at work.
- A caller reported bedbugs at a licensed lodging facility. Staff followed up with management and treatment has been scheduled.
- A complaint was received regarding food safety practices at a licensed facility. Staff conducted an onsite inspection. No violations were observed at the time of inspection.
- A caller reported an illegal burn pile. Staff followed up and the pile was not planned to be burned, but disposed of properly.
- A complaint was received regarding poor living conditions in a rental property. Staff contacted the landlord and a resolution has been reached to improve conditions.
- A caller reported an accumulation of garbage on a property. Staff conducted an onsite inspection and orders have been issued to abate the hazard.
- A complaint was received regarding cockroaches in a rental property. Staff contacted the landlord and treatment has been arranged.
- A caller reported a lack of heat in a rental home. Staff contacted the landlord and heat was restored in a timely manner.
- A caller reported garbage accumulating on a nearby property. The property has been cleaned up and the case has been closed.
- A caller reported an unlicensed establishment. Staff investigated, but the establishment is not required to hold a license with our department.

#### **WOMEN, INFANTS AND CHILDREN (WIC) REPORT – CAMEN HAESSIG, RD, CD, CLC**

- WIC continues to complete most appointments over the phone during this time. In-person appointments are available, as requested, one day per month. So far, no WIC participants have taken advantage of this in-person appointment day. The physical presence waiver to allow appointments over the phone currently goes through mid-July. The waiver is tied to the public health emergency declaration and requires WIC agencies to provide remote services 90 days past the expiration of the public health emergency declaration.
- Jessica Hutchinson attended the WALC (Wisconsin Association of Lactation Consultants) conference on Thursday, March 3 and reported out lactation updates/new research provided at that conference to the rest of the WIC team.

**WOOD COUNTY HUMAN SERVICES DEPARTMENT REPORT  
April 2022**

**Director's Report by Brandon Vruwink**

We continue to work collaboratively with Human Resources to address recruitment challenges. Edgewater and Norwood have expanded the use of the Indeed.com premium program, which has worked well. Human Services will be looking to expand the service to our Community Programs soon. The next steps include a focus on connecting with colleges and universities. As college graduation dates approach, we are working to increase our outreach to connect with the upcoming graduates. Moving into the future, we plan to spend time in college classrooms to discuss career opportunities.

Per the H&HS Committee's request, I connected with Corporation Counsel Kastenholz and Finance Director Newton to explore the process of developing a Human Services Risk Reserve. Should the committee desire to create a risk reserve, I have drafted a policy and resolution that must be approved and forwarded to the Operations Committee and the full County Board. You will find a copy of the resolution and the draft policy in the packet. Please note that the highlighted portions of the policy require committee discussion before being completed.

I am pleased to share Wood County Human Services was selected by the Wisconsin Department of Children and Families(DCF) to participate in a Housing Pilot program. Wood County Human Services, DCF, and Casey Family Programs will be collaborating to develop the pilot project. The program's goal is to reduce the number of children removed from their parental homes because of housing instability. The kickoff meeting is scheduled for April 27. Wood County was one of three counties statewide that was selected.

We have completed Edgewater and Norwood's Capital Improvement Plans for 2023-2027. Facilities Manager Van Tassel has provided great support as we worked through the plans. We are prepared to rank each project by priority for the committee's consideration. You will find the plans included in the packet. The Wood County Transportation Program has also included a CIP request for a new bus purchase in 2023. This request depends on grant funding and does not require debt services or tax levy funding.

**Deputy Director Update by Mary Solheim**

ADP Update: As a refresher from prior updates, the Adolescent Diversion Program (ADP) is an 18-week intensive intervention program for youth aged 12-17 who have either intersected with the youth justice system or are at risk of Youth Justice involvement. Our Youth Case Managers/Interns meet with youth and, at times, the youth's family, and seek to build skills and alternative behavior responses. The key focus we maintain through this program is to connect family and build relationships with the overarching goal of reducing drug/substance use and increasing positive behavior responses and reduced Youth Justice involvement. As we near the conclusion of the 2021-2022 school year, our three interns will conclude their respective internships. Reflecting back, we are appreciative of all of the hard work each of the interns has done through the course of this past semester. One of those interns completing their internship this spring has accepted a position within Human Services and we look forward to our continued work with that intern. We are in the process of scheduling interviews with prospective ADP interns for summer and fall, 2022.

Youth Mentor Program Update: Our Youth Mentor Program continues to work to actively engage with our youth. As a supplement to last month's update, we have secured space on the third floor of our Riverblock building for our youth mentors and other staff members, as time permits, to use as a means to create a safe place for our mentors and youth to connect. We are currently working to fill that space.

We are also continuing to explore options within the Marshfield area and will provide additional updates as they are available.

*Youth Justice Advisory Council (YJAC):* The creation and implementation of the Youth Justice Advisory Council (YJAC) stems from the Adolescent Diversion Program. YJAC has been very active and has improved communications and collaborations with youth-focused organizations within Wood County. YJAC currently has 52 members, which span across 30 different organizations. We meet quarterly and have committees working on various projects. In a recent collaboration survey, 100% of those YJAC members who responded strongly agreed there is a need for collaboration and that YJAC can lead to future collaborations.

*Run the Rapids 5K Event:* The Run the Rapids 5k event is scheduled to occur on April 30, 2022. This year, we are excited to announce that we will have youth we currently work with in our Family Services Team organizing various activities for the children who will be there on race day. Our Youth Mentor Team will also be organizing a small brat fry and our Foster Care Team is organizing a table at the event to increase community awareness of the need for foster parents in our County.

#### **Administrative Services Update by Mary Schlagenhaft**

Administrative Services Team members attended various meetings specific to their job duties during the month. These included, but not limited to: Health & Human Service, Operations, County Board, Team Building, Human Services Division Budget, Division Specific Management, Process and Individual Progress Meetings and any Performance Evaluations for team members submitted timely. All team members worked together to cover shortages in immediate needs due to absences and vacancies.

Additional accomplishments: Launch of Electronic Health Records 3/1/2022. Wrap up of previous EHR in order to successfully transfer data from one system to another. Set up of software needs required intensive participation by Administrative Services Team members, utilizing Knowledge and understanding of agency needs. Future needs for reporting purposes will continue on as software capabilities are acknowledged.

#### *Claims and A/R team:*

- Successful recruitment for Edgewater Claims Specialist, provided support for vacancy
- Attendance in multiple SmartCare software meeting by team members
- Quarterly Aspirus Network NRC Training
- Submission of TRIP collections, policy and process followed
- Attendance in SNF Consolidated Billing training by team members
- Reviewed PPS needs in SmartCare EHR
- Met with SmartCare EHR specialist for 2-day live training for client billing

#### Insurance claims created and submitted for current reporting

- Norwood: 250 claims in the amount of \$1,127,278
- Edgewater: 61 Claims submitted in the amount of \$296,732
- Community: 2456 claims in the amount of \$715,389
  - Prior Authorizations requested and processed: 10
  - Accounts Receivable receipts: \$294,241

#### Service Admission Intakes - by Location

- Admissions: 23
- Bridgeway: 14
- Community: 41 intakes, 31 updates and 10 walk-in scheduling
  - 10 Prior Authorization for services
  - 1495 appointments scheduled

TRIP Monies received YTD:

- Norwood: \$2215
- Community: \$38,827

Accounting and A/P Team:

- EW and NHC Cost Report document preparation
- 2021 Audit document preparation
- Onboard, training new RB Accounting Clerk
- DocuSign successfully launch
- Final reporting documents, PSSF 2021, CCOP/CLTS reconciliations, etc
- Cornerstone petty cash process reviewed and updated with Jan & Cheryl
- Vouchers, cash receipts, revenues, reporting all completed and submitted timely
- Continued efforts to identify staff duties, timelines and processes to assist in contingency planning (backups)

Support Services Team:

- Update on Outpatient Clinic service note: currently less than a dozen February notes needing entry into TCM. The majority of the team is transcribing and reviewing March 2022 appointments in SmartCare
- One staff on intermittent FMLA
- Monitored Administration Budget
- HIPAA/Confidentiality investigations: two reported FS/CR Confidentiality breaches the end of February with follow up the beginning of March.
- Attend weekly SmartCare meetings, and provide support and training to BH and Admin Services staff for "GO LIVE" and throughout the month as needed.
- Review petty cash and activity processes in Cornerstone
- Work with FS Supervisors on change to placement notifications in SACWIS
- Meet with 13 support services staff for scheduled one on one progress update; by phone and/or in person; ensure reception areas have coverage
- Review and submit two probationary evaluations (KC, TH)
- Review and submit two annual evaluations (JN, NM)

Commented [DS1]:

**Behavioral Health Division Update by Stephanie Gudmunsen**

The APS Manager position has been filled. Recruitment continues for Mental Health/AODA Therapist, two YES Coach positions, two YES CCS Service Facilitator positions and Casual Crisis Interventionists.

We applied for and were awarded \$58,464 from Wisconsin Department of Health Services to cover room and board costs for residential treatment for Opioid Use Disorders. Medicaid now covers the service portion of residential treatment, but does not cover room and board costs. This makes residential treatment too expensive for most people receiving Medicaid to pay for out of pocket. This money will be available to Wood County residents that have Medicaid and are in need of residential treatment for an Opioid Use Disorder (i.e. heroine, narcotic pain medications). These funds cannot be used when treatment is for other types of substances. We are currently working on written information sheets and application materials that will be distributed to community partners to disseminate the information widely.

The Children's Long Term Support (CLTS) Waiver Program continues to grow rapidly. Referrals and admissions to the program are outpacing discharges due to a steady number of referrals with the majority of them screening functionally eligible for the program. The table below shows the number of new children that were enrolled each month versus the number of children that were closed (moving out of county, moving to adult services, or no longer wanting services) over the last 14 months.

	Enrolled into CLTS Waivers	Closed out of CLTS Waivers
January 2021	10	1
February 2021	12	2
March 2021	13	0
April 2021	11	2
May 2021	1	1
June 2021	4	0
July 2021	4	4
August 2021	3	0
September 2021	3	4
October 2021	7	0
November 2021	5	2
December 2021	9	1
January 2022	8	3
February 2022	5	0
TOTAL	95	20

As a result of the rapid growth, Wood County has not been able to meet the state requirements of continuous enrollment with no waiting list. Despite adding a new Waiver Case Manager position in May 2021, all five case managers are at full caseload capacity and the program manager continues to carry a caseload as well. We continue to explore ways to address the issue including having a CCS Service Facilitator take on some CLTS Waiver clients who are dually enrolled in CCS and Waiver. We are just starting this process, and will need to determine if it is manageable for a case manager to do both programs. This change will provide some relief, but will not fully resolve capacity issues. We currently have 16 children on our waiting list and an additional five children pending their screening results. The state requirement is continuous enrollment with the following timelines being met consistently:

- Maximum of 10 calendar days to contact the family to schedule a CLTS Functional Screen once referral is received.
- Maximum of 45 calendar days from referral date to complete eligibility determination, issue results, and place child within 5 calendar days of being found eligible into PPS.
- Maximum of 60 calendar days from referral date to complete the individualized services plan and have the child/family enrolled into the program.

#### **Community Services Update by Steve Budnik**

**Income Maintenance:** In March, 9,831 recipients in Wood County received food share benefits. There were also 10,842 adults who received Badger Care insurance and 3,345 people who received elderly blind and disabled or long-term care benefits. Both food share and Medicaid programs have increased since the start of 2022.

**Transportation:** The transportation fleet provided 957 rides in March. Of these rides, 277 were for employment and 181 for medical needs.

**WHEAP:** Since the 2022 heating season, effective October 1, we have provided energy assistance service to 2,445 households. This is an increase of 321 or 15.11% compared to last year. Wood County remains a leading agency as the statewide trend is -2.77%.

#### **Edgewater Haven Update by Kyle Theiler**

In the month of March we had 14 admissions and two readmissions. Current Memory Care census is 17 residents.

Census comparison to last year:

March 2021 – 44.64 average census with 5.64 rehab

March 2022 – 44.87 average census with 5.74 rehab

Admissions/Discharges Comparison:

March 2021 – Admissions 12/Discharges 8/Readmissions 3/Deaths 4

March 2022 – Admissions 14/Discharges 8/Readmission 2/Deaths 4

Personnel Updates: Open position as of writing this: Nurses – 2 FT .97 RN, & 2 .97 FT LPN  
CNAs – 2 FT .97 CNA. Dietary – .5 Dietary Aide.

The dietary department is recruiting for a part-time dietary aide. This dietary aide will help with evening cooking. The department continues to have better retention than the months prior. We also hired a casual dietary aide that is a high school student. This casual staff member will help substantially as summer approaches.

One additional CNA position opened in the last month. This staff member is going to school full time and dropped down to casual status. We are grateful that she continues to pick up shifts while being a full time student. We have offered to a certified nursing assistant position for a full time NOC shift position. This candidate brings several years of care experience to our team.

We continue to make small strides with the nurse recruitment. We have hired two casual nurses. One nurse is an LPN and the other is an RN. We are seeing an uptick in the amount of applications. Overall, we feel that indeed is assisting significantly in our recruitment efforts.

In collaboration with administrative services, we have filled the patient billing specialist position. The new billing specialist will begin employment on 4/18/22. This staff member brings Medicare and medical billing experience.

COVID-19 Updates: Edgewater Haven saw no cases of COVID-19 among staff or residents in the month of March. Not having any staff or residents test positive is a huge morale boost for the entire team.

During the last month there was new guidance related to testing of staff members. Any staff members that are not up to date with their vaccine series must test during the week. The testing frequency depends on the county community transmission rate. As of now, we are testing all individuals not up to date twice weekly. We are hopeful the Wood County community transmission rate continues to fall so testing frequency will decrease.

Capital Improvement Projects: The 400 shower room project has been completed. The project now mimics the remodel that was completed on the 300 wing. We are very proud of the way the room turned out.

Our nursing department's EZ lift has arrived! This piece of equipment is now on the floor and being used to assist with transferring our residents.

The 400 wing room updates is under way. Currently we are waiting on material for the new closet doors and vanity. All demolition has been completed in the rooms. We are anticipating finishing this project in May or June.

We have accepted a bid for our 300 boiler and 400 boiler pump/stack project. The pieces of equipment have been ordered and we are anticipating completing this during early July. The accepting bid for the 300 boiler came in under budget. Another exciting part about the project is that we will be receiving a reimbursement of over 10,000 dollars from Focus on Energy!

A bid has been accepted for our parking lot lights project. This bid came in just slightly under budget. The new lights will help with overall safety of our parking lot during darker times of the day. Parts for the lights will take six to eight weeks to arrive.

All 2022 CIP projects have either been finished or are underway except for the 500 wing patio. Our maintenance director will be contacting the Village of Port Edwards in the upcoming weeks to discuss lot lines.

Select Rehab: This will be the last report I talk about Select Rehab for the time being. Our new rehab company is going above and beyond in relation to rehabilitation services. Our residents and internal staff have seen the significant change from switching therapy vendors.

Health Care Services Group: We are continuing to have difficulties with our environmental services. Health Care Services Group is struggling to staff our building appropriately. The staff on hand are doing as best of a job as they can. However, resident concerns have gone up in the last month related to laundry and housekeeping. I will continue to express my concerns to the appropriate Health Care Services Group employees.

#### **Employment & Training Update by Lacey Piekarski**

FSET Program: DHS has allocated state funding to each of the FSET vendors in Wisconsin for a video project, completion due 09/30/22. The NorthCentral FSET Program has three categories we will create with these funds including a short promotional video to share with Income Maintenance and other community resources, customer success video templates to easily re-create for current and future use, and career exploration video series for our 16–18 year old FSET participant population. The FSET leadership team and interested staff are creating video content with the support of a subcontracted CW Solutions graphic designer. When complete, videos will be shared as intended, also available on the regional, public MyFSET.net program website.

#### **April FSET Highlights:**

- From April 1–17: 59 new participants enrolled in FSET (15 of 59 in Wood County).
- PAW Hub offices, serving Portage, Adams and Wood Counties, average caseload size of 60 program participants. With continued growth and staff coverage in Wisconsin Rapids, we are excited to expand services for caseload support with four full-time FSET Case Managers.
  - Off-site case management continues with River Cities High School and Mid-State Technical College; expanding to Lincoln High School and The Family Center in 2022.
- Through March 31<sup>st</sup>: 34 of 97 employer partners are considered “mutual referral” connections, which includes referrals to Wood County Human Services Department Community Resources Division Programs, including but not limited to FSET, Income Maintenance and Energy Assistance.

Independent Living Program: DCF continues to review limited stimulus funding available through 2022 in relation to increased program eligibility, serving young adults 17.5 up to age 23, rather than limited to age 21. Additional funding includes support services with the ability to match transportation purchases including vehicle purchase. The NorthCentral Independent Living Program has approved funds for three IL young adults to support purchase of their first vehicle, all funding approved through state funding, which has supported continued employment, education and a sense of normalcy within their communities.

With the capacity to continue serving young adults through age 23, the regional IL Program is currently serving (as of 04/18/22):

- 107 youth engaged in services since January 1, 2022
- 91 currently active or 56.52% of youth eligible for IL services

- Outreach attempts continue minimum monthly to re-engage eligible youth
- 30 youth are age 21-23 years old, eligible for services through 2022
- 19 youth are enrolled in post-secondary programs; 1 youth completed their 2 year degree program

#### **Family Services Update by Jodi Liegl**

**Recruitment & Personnel:** On March 2, 2022, Wood County Human Services attended a Job Fair hosted at the University of Wisconsin Stevens Point in an attempt to connect with current students, share opportunities for internships and employment, and promote Wood County. In preparation for the event, visual aids were created to showcase what current employees like about working in the social work field and what they like about working for Wood County. While we were able to connect with many students from varying educational backgrounds, moving forward our focus will be presenting to specific classrooms in the social work and human services related fields.

**Social Work Month:** March is recognized as Social Work Month. The National Association of Social Workers (NASW) identified the 2022 theme to be "The time is right for social work." In a sample letter on the NASW's website it states, "Social work has been around for more than a century and social workers have been in the forefront of helping create this nation's social safety net, advocating for equal rights for all, and improving delivery of health care and mental health care." We are grateful for the team of social workers who commit themselves to providing quality services to the youth and families of Wood County.

**Kinship:** The second support group for kinship care providers took place in March during business hours in Marshfield. Two attendees participated in both February and March meetings. Through the initial meeting, the two care providers became connected and carpooled to the second group together. Meetings continue to be offered monthly for an hour and a half, both in person and virtually through WebEx when technology is available. The times rotate between daytime and evening sessions to meet the needs of the families' schedules. Locations will vary depending on the monthly meeting and alternate between Wisconsin Rapids and Marshfield. Each meeting will include introductions, wellness exercise, a special topic or an open forum, as well handing out additional resources. Participants are encouraged to complete suggestion forms at the conclusion of each meeting to provide feedback to the facilitators.

**Team Collaboration:** Family Services and Behavioral Health continue to team multiple youth presenting with extensive trauma histories, significant mental health concerns, and high behavioral needs. These youth are already connected to multiple different services and treatment providers. Regular team meetings occur to assist in managing crisis, identifying continued needs and supportive services, discussing treatment progress and case planning around placement needs. We continue to see youth at a young age presenting with such extensive needs that we are struggling to maintain them in the community, resulting in the exploration of intensive treatment facilities, outside of our community. We continue to experience challenges in having identified youth with complex needs accepted into facilities within the State of Wisconsin. Due to the limited number of facilities and the number of youth throughout the State that are in need of high level treatment and placement, facilities often deny the youth from being accepted into the program. This results in significant challenges in housing youth and providing services until a facility accepts the youth.

**Kids at Hope:** We continue to promote and cultivate the cultural framework of Kids at Hope in the daily work we do with youth and families. This philosophy states, "We believe all children are capable of success, NO exceptions!" We started holding Treasure Hunter Meet and Eats on a monthly basis, around the 10<sup>th</sup> of every month. The gathering allows people to share specific examples of how they were a "Treasure Hunter," in their work. Staff from Behavioral Health and Family Services come together to share positive, successful stories. People leave feeling hopeful and inspired. Kids at Hope has taught us that hopeful people are more likely to successfully instill hope in others. In addition to the monthly

lunch, a Treasure Hunter Recognition award is presented to an individual who has demonstrated the Kids at Hope philosophy in their daily work.

A steering committee has been developed of Kids at Hope Champions across the community representing multiple community partners. The objective of the steering committee is to coordinate and develop next steps for the continued implementation of the Kids at Hope philosophy. We are beginning to develop presentations to community organizations to increase awareness as to the cultural framework.

#### **Norwood Health Center Update by Marissa Kornack**

Recruitment to fill our vacant CNA and RN positions continues to be worked on diligently. We have had some success in the use of the Indeed resume search function to reach out to candidates. We were able to hire a RN into one of the 36-hour positions, which was possible due to the market adjustment in RN wages. In regards to the international nursing agency, we are waiting to receive the prevailing wage determination back from the Department of Labor. The timeline to receive a determination back can take 3-5 months, and it has been two months since we filed. The agency agreed to our proposed contract revisions, so we will be moving forward with executing the contract. Realistically, we do not expect the arrival of nurses for 12-16 months yet.

We continue to work with Jackson Physician Search for treatment director/psychiatrist recruitment, with weekly update calls with our account executive. We have had some candidate activity and are hoping one of them comes to fruition.

#### **Norwood Nursing Update by Liz Masanz**

CMS updated their testing regulation to align with CDC guidance that those who are due for a booster dose but have not received it must routinely test again. Wood County transmission still requires us to test staff that are not vaccinated or up to date twice a week. 94.4% of staff are fully vaccinated, with 6.5% not vaccinated with approved exemption requests.

Admissions Unit: Dr. Reimers continues as our acting treatment director through contract, with locum psychiatrist coverage on the weekend.

We had our recertification survey for the hospital unit. All around we did great. Two minor health cites around some missing documentation, and a few Life Safety Code citations. They will need to return to clear us from the life and safety citations, as they were cited at a conditional level. Lee is working on the plan of corrections.

Long Term Care Unit: The long-term care unit had three admissions and two discharges. We continue to have one out of county resident who has become more long term on the unit. The team is working on survey preparation as we are heading into our annual survey window. We have been reviewing all the policies and critical elements pathways as preparation and meeting weekly.

#### **Norwood Health Information Department by Jerin Turner**

The new full time receptionist has started and is doing very well in her new role. An individual started on April 4<sup>th</sup> in the open casual reception position, which covers evening and weekend hours.

#### **Norwood Dietary Department by Larry Burt**

Congregate meals for the month of March were 5,714 with revenue of \$30,535.85. Congregate meals year to date are 15,921 with revenue of \$85,081.29.

**Norwood Maintenance Department by Lee Ackerman**

Update on 2021 Capital Improvement Projects: Pathways Renovation: The painters have finished with their portion. Now we are waiting for the cabinets to be completed in late April.

Gym Door replacement: The new fire-rated doors have been installed. This was completed earlier than originally expected due to the doors arriving ahead of schedule.

Power Transfer Switch/Generator upgrades: Materials have been ordered for this project. Due to the sharp increase in the cost of these parts, which I mentioned in last month's report, the current budget of \$50,000 will be depleted by these purchases. In light of this, I have divided this project into two phases; phase 1 entails the purchase of materials, and phase 2 will include the installation portion. Phase 2 is currently estimated to be an additional \$31,500 and would not occur until late 2022 or early 2023 due to long lead times on the materials.

Building Security upgrades: The work has been awarded to Gappa Security Solutions, which offered the lowest acceptable bid. Materials for this project have been ordered and their arrival will dictate when installation can be scheduled; the lead time(s) have not yet been determined.

The 2023-2027 CIP has been compiled. Facilities Manager Van Tassel and Human Services Director Vruwink also consulted on the plan before it was finalized and submitted to the Finance Dept.

## **CVSO Report to the Wood County Health and Human Services Committee**

**Meeting Date: April 28, 2022**

### **March Activity:**

Caseload activity for March 2022 – 16 new veterans served. During the month of March we completed/submitted 377 federal forms to include:

- 34 intent to file a claim (this marks the effective date while we assist the veteran in gathering all the required supporting documentation)
- 10 Appeals – Higher level review, Notice of Disagreement (appeal)
- 20 new claims for disability compensation
- 1 new claims for veterans pension
- 2 new claims for surviving spouse benefits (DIC or surviving spouse pension)
- 7 new applications for VA Healthcare
- 33 appointments of Claimants Representative (POA for American Legion, VFW, DAV etc.)
- 15 burial and marker applications

### **Activities:**

1. Completed as of April 14:
  - a. April 6 – Meeting with LaCrosse Vet Center staff on outreach and return of Wood Co to La Crosse catchment area.
  - b. April 6 – Wisconsin Department of Veterans Affairs (WDVA) Board meeting (virtual)
2. Near Future:
  - a. April 18-22 – CVSO Association spring training conference at LaCrosse WI.
  - b. April 19 – Federal VA Regional Office Milwaukee Director's conference call with VSO & CVSO leadership.
  - c. April 27 – WDVA Mental Health Summit in La Crosse (2 Staff will attend).
  - d. May 4 – WDVA and CVSO Association Leadership meeting (virtual)
  - e. May 10 – Tomah VA medical Center Director's CVSO and Congressional Liaison meeting.

### **Office updates:**

1. Office continues to review and reach out to Blue Water Vietnam Navy and Marine personnel. Many veterans have responded and we have submitted claims for compensation. To date Wood County Veterans under this effort have received \$571,080 in retroactive payments. Monthly increases totaling \$54,801.69 or additional \$657,620 every year.

Since last month's report: None We do have several awaiting decisions for months as the VA Agent Orange Processing has bottlenecked and come to a stand still.

**Note** these are just ratings we initiated by reviewing our records on file and contacting the veteran. It does not include claims brought in to our office by the veteran or the normal benefit maintenance activity we do. To date the retroactive payments and the annual ongoing compensation for this initiative have exceed the annual budget for the department.

2. Recently a WWII Prisoner of War Veteran who was denied VA disability compensation in 1946 came in with his son to seek benefits. Update: VA failed to process the POW and over age 80 Flasher to prioritize/fast track this claim. We brought it to their attention and the claim got started. VA then went to the National Archives and put a suspense date out 30 days. We informed them that the records were in the VA File from 1946. It moved to the next guy who received a response from the Archives that the records were burned in the 1973 fire and the VA sent a questionnaire out to the veteran asking for locations and dates of treatment to reconstruct his service medical records and placed another 30 day suspense for response. We went to the # 2 person in the Milwaukee VA Regional Office informed her that the only record at the Archives would have been that they sent the record to the VA. Then that the medical records in the VA Claims folder are uploaded in their virtual file and I have reviewed them and they are more complete than the Veteran's memory could ever be as he was turning 97 this week and it would be a shame if the VA did not finish his claim before he passes. The next day the compensation exams were ordered and the claim is on its way.
3. Surviving Spouse benefit identified. While working with the committee with the Wood County Veterans Memorial a fairly recently deceased veteran was identified who was in Vietnam further research of Death Certificate identified he passed due to an agent orange presumptive illness. The Spouse and address were on the death certificate so we reached out. When the application is complete and granted the widow will receive \$1,437.66 (tax free) per month, CHAMPVA supplement to Medicare (with prescription drug benefit) and the Wisconsin Veteran and Surviving Spouse Property Tax Credit.

# **Human Services Risk Reserve Fund Policy**

**\*Draft\***

## **Purpose**

To create a risk reserve fund to reduce the county's exposure to large unbudgeted expenditures related to out-of-home care placements. The cost of out-of-home care continues to rise annually. The cost of correctional placement for Youth rose from \$550/per day to \$1178/per day over the past two years. The county has a safety net to protect itself from unexpected out-of-home care expenses by creating a risk reserve.

## **Policy and Procedures**

The Wood County Human Services Risk Reserve account is a designated fund to cover the high-cost out-of-home care expenses for children placed outside their family home. High-cost Out-of-home care placements consist of Residential Treatment Facilities, Residential Care Centers, Group Homes, and Youth Correctional Placements. The risk reserve can only be accessed to fund the above-referenced out-of-home care placement expenses. The Health and Human Services Committee must approve the expenditure by a majority vote to spend the funds. The Health and Human Services Committee must approve and send a resolution to the full county board for consideration to spend the funds for any other purpose. The full county board, with 2/3 approval, can authorize the expenditure of the funds for other purposes if desired.

## **Funding Methodology**

The risk reserve account will be created using Human Services surplus funding from the 2021 budget. The first deposit will be \$, covering the cost of Youth placed in a correctional facility for one year. Every April, the H&HS Committee will review the year-end budget from the previous year and determine if additional funding is available to add to the risk reserve account. The amount added to the account will not exceed \$250,000 annually unless the account balance falls below a base of \$500,000. In which case, the amount necessary to restore the account to the base amount of \$500,000 may be deposited. The fund will be capped at \$1,500,000.

INTENT & SYNOPSIS: To create a risk reserve account for the Human Services Department.

FISCAL NOTE: No budgeted dollars will be required to fund the account. Surplus dollars from the 2021 and future budgets will be used to fund the account.

Source of Money: 2021 Budget surplus

WHEREAS, the Human Services Department is responsible for providing services to children with complex needs, and

WHEREAS, Wood County currently has a growing list of children who require intensive services, and

WHEREAS, the cost of providing care to children continues to increase, and

WHEREAS, it is difficult to predict the need for high cost placements and budget for the expenses, and

WHEREAS, Wood County has not received additional funding from the state to cover the increasing costs, and

WHEREAS, creating a risk reserve account protects the county’s general fund from absorbing large, unbudgeted expenses, and

WHEREAS, the county board has final authority of the expenditure of the funds should the body determine the account is no longer necessary, and

PRIORITY	Urgent		

**PROJECT DESCRIPTION:**

The purpose of this project is to replace the current HVAC and air make up unit. The current unit is over 50 years old.

**PROJECT ALTERNATIVES:**

Continue using the 50 year old air handler which requires continuous labor and parts.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION** Priority from Above **Urgent**

The current unit was installed in the 1970s and is over 50 years old. An upgrade will help be more efficient and assist in the balance of negative air pressure in the building. If this is not addressed we will continue to have parts fail.

	CATEGORY	Major Equipment	
	PRIORITY	Necessary	

**PROJECT DESCRIPTION:**

The laundry room update has two components. First, two dryers need to be replaced. Second, the floor in the laundry room needs to be redone.

**PROJECT ALTERNATIVES:**

Continue using the current laundry machines which are past their 20 year useful life. Also, receive possible life safety or infection control citations because of the laundry floor.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION**      Priority from Above      **Necessary**

The current laundry dryers were purchased in the early 2000s. Therefore, they have been used well past their 20 year useful life. The machines are requiring more maintenance and parts are becoming harder to find. The laundry room floor paint is chipping and needs to be redone. If we do not address this it could lead to possible citations which have fiscal implications.

**PROJECT DESCRIPTION:**

The lower breakroom is where the majority of staff take their required breaks. The room is in need of a sink as this is an infection prevention concern. It also needs general renovations related to cabinets, paint, and furniture.

**PROJECT ALTERNATIVES:**

Continue to utilize this space which could lead to possible infection prevention citations.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION** Priority from Above **Necessary**

The main goal of this project is to add a sink to the breakroom. Currently, there is not a sink which could lead to infection control citations from the division of quality assurance. Also, this is the space staff can utilize for their breaks. We need a space that staff can look forward to taking their breaks in.

**PROJECT DESCRIPTION:**

This project has two components. First, replace one convection ovens. Second, replace the kitchen doors.

**PROJECT ALTERNATIVES:**

Continue to use the current convection oven which is past its useful life. Continue to use the doors that are original and wood. These doors have significant wear and tear.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION** Priority from Above **Necessary**

The current convection oven are past their useful life. These items are critical to providing proper nutrition services to our residents. They are used at least three times a day. The doors need to be replaced as they are the original doors.

**PROJECT DESCRIPTION:**

Purchase/Replace a lift for residents who are unable to transfer without mechanical assistance.

**PROJECT ALTERNATIVES:**

Continue using current lifts and try to replace parts as they break with obsolete parts.

**RELATIONSHIP TO OTHER PROJECTS:**

This project relates to the lift purchased in 2022 and the ones planned for in 2024 and 2025

**PROJECT JUSTIFICATION**      Priority from Above      **Necessary**

The majority of residents at Edgewater Haven require assistance ambulating with a lift. All current lifts were purchased in the 1990s and early 2000s which will need to be replaced in the coming years. It is becoming increasingly difficult to find parts for the current lifts to provide regular maintenance.

START DATE:	1/1/2025			
END DATE:	12/31/2025			

TOTAL PROJECT COSTS: \$ 350,000

<b>#2</b>	DEPARTMENT	12	Edgewater
	CONTACT PERSON	Ronald Landwehr	
	TYPE	Building Improvements	
	USEFUL LIFE	Beyond 20	
	CATEGORY	Building	
	PRIORITY	Desirable	

**PROJECT DESCRIPTION:**

To demo old shared bathrooms and make into private bathroom to meet ADA requirements. New flooring, cabinets and vanities.

**PROJECT ALTERNATIVES:**

Leave current rooms with shared bathrooms-floors will have to be replaced regardless

**RELATIONSHIP TO OTHER PROJECTS:**

Same concept and design as the remodel that took place on 300 wing and on 500 wing north

**PROJECT JUSTIFICATION**      Priority from Above      **Desirable**

Rooms are in need of repairs and to make bathroom private and ADA accessible.

	PRIORITY	Necessary	

**PROJECT DESCRIPTION:**

Purchase/Replace a lift for residents who are unable to transfer without mechanical assistance.

**PROJECT ALTERNATIVES:**

Continue using current lifts and try to replace parts as they break with obsolete parts.

**RELATIONSHIP TO OTHER PROJECTS:**

This project relates to the lift purchased in 2022 and the ones planned for in 2024 and 2025

**PROJECT JUSTIFICATION**      Priority from Above      **Necessary**

The majority of residents at Edgewater Haven require assistance ambulating with a lift. All current lifts were purchased in the 1990s and early 2000s which will need to be replaced in the coming years. It is becoming increasingly difficult to find parts for the current lifts to provide regular maintenance.

	CONTACT PERSON	Steve Budnik	
	TYPE	Vehicles-Streets	
	USEFUL LIFE	5 - 10	
	CATEGORY	Vehicle	
	PRIORITY	Desirable	

**PROJECT DESCRIPTION:**

The Wood County Transportation Department must plan for future needs to meet DOT standards and ensure our program's efficient and safe fleet. In 2023, we anticipate replacing a 2016 Ford E450 bus (#247) that is operated in Wisconsin Rapids and currently has 137,800 miles. This bus has 14 seats, two of which are designated for wheelchairs. The replacement bus would have the same number of seats. The anticipated replacement bus would also limit and control maintenance costs and maintain the quality of ride experiences for elderly and disabled passengers. This bus purchase will be through an 80/20 grant where Wood County pays 20% of the cost (from the trust dollars), and the 53.10 Grant covers the remaining 80%. This CIP would not use any county tax levy dollars.

**PROJECT ALTERNATIVES:**

An alternative to a bus would be to purchase a van, which would not meet the needs of serving 12-14 elderly and disabled customers at one time. In addition, we need a vehicle that offers a power lift to serve those in wheelchairs with their transportation needs.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION**      Priority from Above      Desirable

To comply with our 85.21 Transportation Grant, the Wood County Transportation program must provide transportation services for non-ambulatory persons. This is done through the powered lift that our bus fleet has. A new bus will provide a reliable powered lift and allow the department to provide a positive and safe experience for our elderly and disabled passengers and reduce maintenance expenses. For example, it is expensive to repair when the power lift does not work. The County Highway Department cannot service power lifts; therefore, we outsource these costly lift repairs. Further, a new bus will also be more fuel-efficient, which will result in longer-term savings. The current bus will also be eligible for retirement through the state 85.21 grant program.

	TYPE	Vehicles-Streets	
	USEFUL LIFE	5 - 10	
	CATEGORY	Vehicle	
	PRIORITY	Desirable	

**PROJECT DESCRIPTION:**

The Wood County Transportation Department must plan for future needs to meet DOT standards and ensure our program's efficient and safe fleet. In 2025, we anticipate replacing a 2015 Chevrolet bus (#242) that is operated in Marshfield and currently has 88,000 miles. This bus has 15 seats, two of which are designated for wheelchairs. The replacement bus would have the same number of seats. The anticipated replacement bus would also limit and control maintenance costs and maintain the quality of ride experiences for elderly and disabled passengers. This bus purchase will be through an 80/20 grant where Wood County pays 20% of the cost (from the trust dollars), and the 53.10 Grant covers the remaining 80%. This CIP would not use any county tax levy dollar

**PROJECT ALTERNATIVES:**

An alternative to a bus would be to purchase a van, which would not meet the needs of serving 12-14 elderly and disabled customers at one time. In addition, we need a vehicle that offers a power lift to serve those in wheelchairs with their transportation needs.

**RELATIONSHIP TO OTHER PROJECTS:**

**PROJECT JUSTIFICATION** Priority from Above Desirable

To comply with our 85.21 Transportation Grant, the Wood County Transportation program must provide transportation services for non-ambulatory persons. This is done through the powered lift that our bus fleet has. A new bus will provide a reliable powered lift and allow the department to provide a positive and safe experience for our elderly and disabled passengers and reduce maintenance expenses. For example, it is expensive to repair when the power lift does not work. The County Highway Department cannot service power lifts; therefore, we outsource these costly lift repairs. Further, a new bus will also be more fuel-efficient, which will result in longer-term savings. The current bus will also be eligible for retirement through the state 85.21 grant program.

**Expenditure Schedule**

PRIOR TOTAL

	2023	2024	2025	2026	2027	TOTAL
Planning/Design						-
Land Improvement						-
Construction/Maintenance						-
Equip/Vehicles/Furniture			74,000			74,000
Other						-
	\$ -	\$ -	\$ 74,000	\$ -	\$ -	\$ 74,000

FUTURE TOTAL

**Funding Sources**

PRIOR TOTAL

	2023	2024	2025	2026	2027	TOTAL
Tax Levy						-
Debt						-
State/Federal Grant						-
Departmental Rent						-
User Fees						-
Donations & Contributions			59,200			59,200
Other			14,800			14,800
	\$ -	\$ -	\$ 74,000	\$ -	\$ -	\$ 74,000

FUTURE TOTAL

**OPERATIONAL IMPACT/OTHER**

The purchase of the bus will decrease maintenance and operational expenses. The projected operational savings is through the expected increase in fuel mileage. Maintenance expenses will decrease significantly as a new bus comes with a warranty.

**Operating Budget Impact**
