AGENDA HEALTH & HUMAN SERVICES COMMITEE

DATE: Thursday, March 28, 2024

TIME: 5:00 PM

LOCATION: Wood County Annex & Health Center Classroom 1600 N Chestnut Ave Marshfield, WI

- 1) Call to Order
- 2) Declaration of Quorum
- 3) Public Comments
- 4) Consent Agenda:
 - a) Review/approve minutes from previous committee meetings
 - b) Review Department Head/Supervisor Monthly Reports/Narratives, Information Material, & Financial Statements and/or Quarterly Reports
 - c) Approve Department Vouchers: Edgewater Haven, Health Department, Human Services, Norwood Health Center, Veterans Service
- 5) Discussion and consideration of item(s) removed from consent agenda
- 6) Expiring terms for 2 members of HHS Committee (Nordman, Iniguez)

7) HUMAN SERVICES

- a) Forthcoming request from Marshfield YMCA regarding property at Wood County Annex
- b) Norwood Water Management Update

8) VETERANS SERVICES

- a) Getting to know your CVSO Wisconsin Counties Association presentation.
- 9) Legislative Issue Updates
- 10) Future Agenda Items
- 11) Next Meeting(s): Thursday, April 25, 2024 River Block Building Room 206
- 12) Comments from the Chair
- 13) Committee may go into closed session pursuant to 19.85(1)(f) Wis. Stats. to consider leave of absence request(s)
- 14) Return to open session
- 15) Adjourn

<u>Join by Phone</u>

MINUTES HEALTH & HUMAN SERVICES COMMITTEE

DATE: TIME: PLACE:	5:00 PM	y, February 22, 2024 ter Haven Nursing Home – Conference Room 110						
MEMBERS PR	ESENT:	Adam Fischer, Donna Rozar (WebEx), Tom Buttke, John Hokamp, Lee Thao, Kristin Iniguez (WebEx), Mary Jo Wheeler-Schueller (WebEx, arriving at 5:07 PM), Lori Nordman						
MEMBERS EXCUSED:		Rebecca Spiros						
OTHERS PRESENT:		Trent Miner, County Clerk; See attached sign-in list.						

- 1. Chairman Fischer called the meeting to order at 5:00 PM
- 2. Chair Fischer declared a quorum present.
- 3. There were no public comments.
- 4. The consent agenda was presented for approval. Motion by Buttke/Thao to approve the consent agenda. Motion carried unanimously.
- 5. Health Director Smith presented two requests for out of state travel. The first was for the Empowering Public Health through Law and Policy Conference in New Orleans LA, April 30 – May 2, 2024 with all expenses paid with grant funds. The second was for the Community Health Worker Sustainability Summit in Spokane WA, April 15-18, 2024 with all expenses paid with grant funds. Motion by Hokamp/Thao to approve both requests. Motion carried unanimously.
- 6. Smith and Public Health Manager Alft presented a request for incentive pay for the Health Dept. employee that was bilingual. Motion by Buttke/Rozar to approve the request. Motion by Buttke/Thao to amend the motion to refer this item to the Operations Committee to review. Motion to amend carried 7-1. Rozar voted no. The amended motion was called with it being approved unanimously.
- 7. Norwood Administrator Kornack reported on the Norwood water management status. There are required water tests conducted at the facility. Recent tests confirmed the very low presence of legionella bacteria. Filters were immediately installed to mitigate the issue, however this is only a temporary fix. The current thought is that because all of the galvanized pipe sizes were over engineered at time of construction, there is not enough water flow to keep clean water coming through. The piping in the facility has been on the radar and money has been in the CIP to fund this. They will be hiring an engineer & architect to come up with a plan to re-plumb the facility. VERY initial costs

are estimated at around \$1.5 million, but this just an estimate. Any plan would have to have the approval of the Dept. of Health Services. More information will follow.

- Human Services Youth Justice Social Worker Taylor Brown provided a report and presentation on the Youth Justice Program in Wood County. He highlighted the statutory requirements, outcomes, and challenges faced in dealing with these children. He also shared a couple of scenarios where the programs offered through the county do make a large difference in the lives of these youth. Questions and answers followed.
- 9. Human Services Director Vruwink presented an out of state travel request for the Trust-Based Relational Intervention Training held in Orange County, CA May 20-24, 2024 with all expenses paid through scholarship and grant funding. Motion by Buttke/Hokamp to approve the request. Motion carried unanimously.
- 10. Edgewater Haven Administrator Cieslewicz offered a tour of the facility. It was decided to do this after the meeting. (Rozar, Wheeler-Schueller, and Iniguez left the meeting at 5:57 PM)
- 11. Cieslewicz reported on the possible scope of financial modeling in turning portions of Edgewater into assisted living quarters. This could be provided by Wipfli at a cost of \$21,500, however in the meantime, Forward Analytics is doing a comprehensive statewide study on nursing home beds and the aging population in the next few months which would glean more information on the trends, statewide. It was decided to wait until after the 2023 books have closed in March to see where Edgewater ended financially before possibly requesting funds to complete the Wipfli study.
- 12. Veterans Service Officer Larson presented a budget amending resolution for the CVSO Grants budget. A typo was noted and will be corrected by the county clerk. Motion by Hokamp/Thao to approve the resolution and forward onto the county board for their consideration. Motion carried unanimously.
- 13. Legislative items were noted by Vruwink, Larson, and Cieslewicz provided legislative updates.
- 14. Future meetings:
 - a. Thursday, March 28, 2024, 5:00 PM, Norwood Health Center Classroom
- 15. Chairman Fischer declared the meeting adjourned at 6:17 PM.

Minutes taken by Trent Miner, County Clerk, and are in draft form until approved at the next meeting.

Wood County Health Department

5(b)

If you have any questions about this report, please contact Sue Smith at 715-421-8928 (W) or 715-213-8493 (Cell) or ssmith@co.wood.wi.us

<u> ADMINISTRATIVE REPORT – SUE SMITH, RN, MSN</u>

<u>Opioid Settlement:</u> Additional information was recently released with some updated settlement numbers. Wood County will be receiving \$366,734 from the Walmart, CVS, Walgreens, Allergan, Teva settlement. We should receive this any day (they said mid-March). Around the same time, we should be receiving \$38,045.58 from the distributor year 7 prepayment allocation. This should total up to around \$910,000. After we take off the \$550,000 for the FQHC, we will have around \$360,000 to look at having the task force allocate to our priorities, with subsequent approval by oversight committees.

The Wisconsin Counties Association Opioid Task Force met on January 30. I continue to serve as Vice Chair of the task force. The next Opioid Summit occurred on March 20 in Wisconsin Rapids. I was on vacation, but several staff were able to attend. One of the larger tasks ahead is to develop materials for county board members about harm reduction efforts that are evidence-based (fentanyl test strips, naloxone, syringe exchange services). There continue to be misperceptions that these efforts encourage or increase drug use and research is very clear that they do not. We discussed developing a toolkit for counties to use, as well as presentations at the summit and the WCA annual conference in September.

<u>Family Health Center FQHC Update</u>: I received an email from Senator Baldwin's office with the Congressionally Directed Spending application. I also received the application for the House side's Community Project Funding from Representative Van Orden's office. Greg Nycz with the Family Health Center is working on both of those. The Labor, Health and Human Services, Education, and Related Agencies subcommittee does not accept community project funding requests (this is on the House side). In talking with Van Orden's staff, we believe we can submit our request under the Department of Agriculture–Rural Development, Rural Housing Service (Community Facilities) account. Since the population of Wisconsin Rapids is under 20,000, we are eligible in those rules.

<u>Childcare Update</u>: Central Wisconsin Days sponsored by Centergy, Inc. was an incredible success with over 85 attendees coming together in Madison on February 12-13. This was an opportunity for business and community leaders to bring the voice of our region to Madison. Participants were divided into teams to meet with policymakers from across the state to champion issues of vital importance to people, employers, and economies in Central WI, including childcare.

A task force of local organizations, child care providers, and business leaders have been meeting since June 2022 and continue to meet every other month to determine a plan to improve child care in Wood County. This task force was awarded the Dream Up! grant from WI DCF, which provided facilitated discussion and strategic planning to develop strategies to increase access to childcare.

An initial ARPA request to the Wood County Board of Supervisors requesting \$5.4M to support six strategies was submitted in October 2022. The Board suggested narrowing the focus and to carefully consider the most sustainable strategies. In an effort to hone in on the most effective ways to address the childcare crisis, three strategies were identified to focus on over the next three years. As a reminder, they are described below.

- Co-create a model of partnership between the business community and child care to have businesses purchase slots at existing regulated child care providers: Businesses benefit by staying competitive in a tight labor market by offering attractive benefits, increasing employee productivity, increasing employee retention, strengthening the local community and economy, and strengthening families by offering benefits that enable employees to continue in the workforce, also contributing to the economy. Childcare programs benefit by receiving the full true cost of care, and can then afford quality workers, training, materials, and facilities; retain quality staff through offering higher pay; stabilize enrollment numbers by having reserved business subsidized spots; and make long-term connections with businesses and organizations that can help improve the quality and scope of care.
- Provide Start-Up and Expansion Grants to new and existing childcare centers to assist in expanding and maintaining current childcare centers: Childcare centers operate on very slim margins and expanding or making updates to buildings and classrooms can be very costly. For those individuals who are opening a new center, the costs to open can be prohibitive. Providing Start-Up and Expansion Grants will alleviate a financial burden on small businesses that do not have a lot of discretionary income for these one-time costs.
- Bring child care providers together to network, share administrative and other costs, and brainstorm solutions to challenges (create a 'shared services network'): This would allow providers to save time and money, freeing up revenue for wages and other expenses. Centralized staff could potentially help individual providers with staffing, human resources, paperwork related to enrollment and business expenses, educational leadership including quality coaches who can work with providers to improve their program, professional opportunities and more. Bulk purchasing can bring lower prices.

The revised ARPA request totals \$2.8M and Task Force Co-Chairs presented to the Wood County Board of Supervisors ARPA Committee on January 23, 2024. We are anxiously awaiting a decision.

SUPERVISOR OF STRATEGIC INITIATIVES REPORT - KRISTIE RAUTER EGGE, MPH

Staff attended Centergy Days at the State Capitol to advocate for childcare, the economy, and rural bridges. Staff continue to do 1:1's with community partners to learn about and share our work in Wood County. Staff met with the Family Shelter to discuss their programs and HPWC programs and how we can collaborate.

Staff are analyzing results from the biannual health equity internal staff survey and data from the Department of Health Services qualitative data grant to learn about the impacts of COVID-19 on specific communities in Wood County. One AmeriCorps member enrolled in the Community Health Worker Course provided by AmeriCorps and Milwaukee AHEC, and both attended the mid-term training. Staff attended the WPHA Leadership Training. One staff member serves as co– chair of the Membership Committee and the Policy & Advocacy Committee and another as the association's President.

Communication/Branding

The Wood County Health Department Annual Report is in draft form, and will be ready for review soon. Staff discussed plans for a process improvement project for Healthy People Wood County (HPWC) communications. One AmeriCorps member is helping with the new HPWC logo design.

Staff created a visual and public-facing Healthy People Wood County Year in Review Flipbook and video to highlight our accomplishments in 2023. They also created Facebook cover photos for the HPWC page, utilizing National Observances to elevate awareness and promote advocacy.

Community Health Assessment (CHA) and Community Health Improvement Plan (CHIP)

Staff analyzed results from the CHA survey by different demographics to determine where priorities and gaps differ among various groups in our community. The second of multiple CHA prioritization meetings was held with community partners to continue narrowing health priorities. Staff are co-planning and co-facilitating these meetings with Aspirus Riverview and Marshfield Clinic. Staff presented the CHA and CHIP to UW-Eau Claire nursing students.

Housing

The Wood County Housing Task Force and Housing Summit Planning Committee had several meetings last month that focused on the housing survey, housing study, and housing summit. The Wood County Housing Summit was held at Mid-State Technical College in Wisconsin Rapids. Over 100 people from a wide range of sectors were in attendance, including elected officials, city, county, state, and federal government, realtors, bankers, developers, non-profits, and more. Follow-up action planning will be conducted at future Wood County Housing Task Force meetings based on feedback shared at the Housing Summit. The Wood County Housing Task Force released the housing survey to collect better data on what people are looking for regarding rental properties and mortgages. The housing study out of the 2024 Wood County Comprehensive Plan was also reviewed, and feedback was provided.

Transportation

Waupaca Catch-a-Ride presented to 36 people from various community programs and organizations. The presentation discussed the program and the next steps to get it started in Wood County. There is an overwhelming amount of support for this program. Team members are looking for grant opportunities and are working on other next steps.

Mental Health Matters

Staff met with the storyteller workgroup to continue the conversation of further embedding the group's work into the local clubhouses. Each clubhouse and individual storyteller provides updates on opportunities to speak, train, recruit, and share any other pertinent information for the group's success. Staff will continue meeting with the storytellers group monthly for continued discussion, recruitment of storytellers, and holding events.

IMPACT (Substance Use Coalition)

- Harm Reduction Committee: The IMPACT Harm Reduction Committee was formed in February, and the community started to plan the direction this group would like to go. Several agencies and community members are represented, including the recovery community, healthcare, criminal justice, and local government. The group determined to meet monthly for the first six months and select a few priority areas.
- SCAODA Prevention Committee, Hemp Ad-hoc: The Hemp Ad-hoc committee continues to meet regularly to draft a report that will provide state/local recommendations on psychotropic hemp-derivatives, as the state has no regulations on hemp outside of Cannabidiol (CBD). Staff were asked to participate in the ad-hoc committee, which provides insight on municipal policy as Wood County was the first in the state to pass an ordinance to restrict age of purchase on psychoactive hemp products. Our ordinance continues to be a model for other communities.
- *LifePoint:* LifePoint saw 11 participants in February and 20 additional people were indirectly supported through the program. Participants have shared with staff that they want to quit using substances, but it's "so hard" and "painful." Staff continue to offer resources and point participants to peer support if they show interest in treatment and recovery.

- *Xylazine*: Xylazine is an animal tranquilizer with no FDA-approved use for humans that is being increasingly found in the illicit drug supply across America. The substance has been brought up as a concern among LifePoint and Adult Day Treatment participants, so staff are proactively researching the substance to prepare for future public health concerns. Fentanyl continues to be the main substance of concern, especially in populations with low opioid tolerance and those who are using stimulants (such as methamphetamine), but xylazine does not have an overdose reversal drug like naloxone/Narcan® available. Public health concerns, in addition to complicating an overdose, are the egregious wounds caused by the drug.
- Narcan Direct Program: WCHD distributed 27 Narcan kits to people who use drugs, their peers, those seeking treatment, youth, and EMS for leave-behind programs. Additionally, training was provided to 13 individuals.
- Providers and Teens Communicating for Health (PATCH): The PATCH Teen Educators had a busy month, presenting during a Wisconsin Rapids School District-wide guidance counselor meeting to discuss how to communicate more effectively with peers about health care needs. The teens also completed Narcan administration training and visited the local Planned Parenthood location to learn about resources and reproductive health. The PATCH teens were invited to hold workshops at the Youth in Action Summit in the Wisconsin Dells. The workshops were well received, and the PATCH teens will continue to work with the Juneau County Health Department on future youth summits.
- *Full Team Meeting*: On February 7, IMPACT held a full team meeting. Representatives from the Marshfield Police Department and Marshfield Clinic presented data on Alcohol Age Compliance checks in the Marshfield area over the last few years. Twenty people attended the meeting, and the information presented will be used to support future initiatives around alcohol work countywide.
- Drug-Free Communities (DFC) Support Program: The non-competing Year 5 DFC grant renewal was submitted, which included a working action plan and budget for the fiscal year beginning September 30, 2024. The action plan includes underage drinking and youth tetrahydrocannabinol (THC) use. Youth prescription drug prevention was removed as efforts are already in place to address these issues. The focus going into Year 5 before another competitive application is submitted for years 6-10 will be sustainability.
- Alcohol Workgroup: On February 15, members of IMPACT presented the Wood County Place Of Last Drink (POLD)
 program to the Walworth Health Department. The presentation included how the coalition worked with local law
 enforcement, collected and reviewed data, and followed up with establishments. The Alcohol Workgroup created
 handouts around the POLD program and best-serving practices. These were shared with the municipal clerk of
 Wisconsin Rapids. These letters will go out with any new or renewed alcohol licenses. Staff supported the UW student
 working on a project with us to draft policy updates to the City of Wisconsin Rapids alcohol licensing application and
 review.
- THC Committee: On February 22, the IMPACT THC committee met to map out strategies to address youth THC use in the county. The committee worked throughout February to collect information on youth THC use through different partners in the county, including law enforcement, business owners, schools, and parents. The committee reviewed the data and mapped out strategies to address local conditions.
- *RX Committee*: The Rx Committee focused its efforts on promoting the April 27 Drug Take-Back Events in and around Wood County. On February 29, IMPACT members also presented to Partnership for Prevention/Portage County AODA Coalition members on the steps they take to work with local law enforcement, pharmacies, and businesses and how they promote and assist with take-back events.
- Community Engagement: IMPACT continues to meet with Hmong and Hispanic representatives to incorporate their communities into the work on IMPACT. It is vital to be intentional about reaching populations within our community that we only sometimes have represented at the table to ensure cultural appropriateness in all aspects of our work. IMPACT is also collaborating with McMillan Library and Aspirus to host a showing of *Screenagers: Under the Influence* at McMillan Library on April 10. This event will provide education to parents and youth on the impact of our digital age on teens' decision-making about substances such as vaping, drugs, and alcohol.

Access to Healthy Food

Last week, 2024 Wisconsin Rapids Downtown Farmers' Market applications were sent out. We will hold a spring vendor meeting on Tuesday, April 23 from 11 am to 12:30 pm and Thursday, April 25 from 5 pm to 6:30 pm. All vendors are encouraged to attend to review rules and regulations. Environmental Health staff will be present to discuss licensing requirements related to food sales at the farmer's markets, and WIC will offer training for the WIC and Seniors Farmer's Market Nutrition Program.

Staff will complete the Central Wisconsin Regional Farmers Market planning grant through the USDA and apply for the implementation grant to continue this work. Once the grant is completed, final reports will be shared.

Recreation and Transportation

River Riders Bike Share is feeling spring! Planning for the spring launch of the bike share season is underway. Staff are looking forward to having the bikes out by the end of April, if not sooner.

Conversations continue to move forward with the future addition of e-bicycles to our existing bike-share program. This is a collaborative effort with Clean Green Action. Reach out to the River Riders Bike Share team to learn more about our plans or provide input on the future of bike share.

Staff scheduled Facebook Posts for March and completed car seat reporting.

ENVIRONMENTAL HEALTH SUPERVISOR REPORT - BEN JEFFREY, R.S.

Recreational and Educational Camps Update

The Department of Agriculture, Trade, and Consumer Protection (DATCP) will be implementing new licensing categories for Recreational and Educational Camps depending on available lodging facilities, retail food operations, and activities offered. Complexities will be categorized as simple, moderate, and complex. As an agent program, Wood County will include these license categories with the minimum fees as required by DATCP Recreational and Educational Camps Code ATCP 78.

New Businesses and Consultations

A pre-licensing inspection was completed for The Spot in Nekoosa, a new prepackaged retail food establishment. A prelicensing inspection was completed for Hyped Nutrition located in Wisconsin Rapids. A pre-licensing inspection was completed for Crabby's Lounge in Marshfield, formerly known as Crabby Dave's. A pre-licensing inspection was completed for a short-term rental in the Marshfield area due to change in ownership. Jill Ibarra and Mariah Heiman also completed a visit to the Marshfield Cultural Fair and conducted a temporary event inspection where they shared a lot of valuable information with many of the operators and helped sort out food safety concerns.

Complaint Investigations

Eight complaint investigations were received in the month of February.

- A complaint was received regarding mold in a licensed lodging facility. Staff were onsite and discussed the complaint with the operator. Proper cleaning methods were used for the mold.
- A caller reported mold in an apartment unit. Staff were onsite for investigation but no health hazards were noted at the time of inspection.
- A complaint was received regarding maintenance issues going unfixed in a rental unit. Staff provided information to the tenant and notified the landlord of the complaint. Property management soon addressed the maintenance issues.
- A tenant reported mold growth in a rental unit being worked on by the landlord, but wanted the indoor air quality tested. Information was provided to the tenant.
- A caller reported a licensed food establishment cooking outside and seeing rats come out of the kitchen. Staff completed a complaint inspection. No evidence of rats or other pests was observed. Licensed pest control methods are implemented and monitoring devices are frequently checked every 3-6 months.
- A caller reported issues with their water heater and the landlord has not come out to fix it. Potable water is available, and a public health hazard is not present. The tenant will work with the landlord to address the issue.
- A complaint was received regarding food safety violations at a licensed food establishment. The establishment was located in Marathon County and the complaint was referred to Marathon County Health Department.
- A caller reported a non-functioning septic system that the landlord was not fixing. Staff spoke with both parties involved and the septic system has been repaired.

HEALTHY SMILES FOR WOOD COUNTY REPORT - NICOLE BURLINGAME, RDH

- We have completed our sealant program at the elementary and middle schools. We are in the middle of our second visits of oral screenings, education, and fluoride varnishes. We just scheduled our third and final visits for the Wood County Head Start programs. We have provided preventative dental care to 2,436 children so far this school year.
- Healthy Smiles will also begin providing prophys and oral care to the residents at Norwood Health Center.

PUBLIC HEALTH NURSE SUPERVISOR REPORT - ERICA SHERMAN, MSN, RN, IBCLC

Parents as Teachers (PAT)

We have been selected by Wisconsin Partnership Program (WPP) at the UW School of Medicine and Public Health as one of four sites to host a Community Connection event. The event will be held on Thursday, April 4 at 9:00 AM in the River Block auditorium. Local nonprofits, public health, tribal and government agencies, and others working in health care and public health have been invited to the event to learn more about WPP's funding opportunities and meet local grant partners and community health leaders working on local health issues.

Communicable Disease

There is high potential for tick-borne diseases earlier this year as warmer temperatures have arrived earlier. Ticks become active when temperatures are above freezing and even more so when temperatures are consistently above 40 degrees. Wisconsin Department of Health Services (DHS) reports that as of 3/6/24 the current collection of questing (host-seeking) adult Blacklegged (Deer) Ticks is similar to what would typically be collected in late April or early May most years.

Lead Testing

As of January 1, 2024, Wisconsin DHS has updated their childhood blood lead test recommendations. DHS now recommends universal blood lead testing, which for the Wood County community includes all children should be tested at age 1 and again at age 2 AND test any children between ges 3 and 5 without a previous test. All children under 17 years

of age can still be tested if there are concerns for lead exposure or if they are a newly arrived refugee. These recommendations now match the federal Medicaid requirement.

Child Passenger Safety

We continue to host monthly car seat clinics in partnership with Wisconsin Rapids Fire Department and Marshfield Fire and Rescue. In 2023, our certified child passenger safety technicians conducted 64 car seat checks, distributing 53 new car seats to eligible families.

Emergency Preparedness

The Emergency Preparedness (EP) Coordinator facilitated, on behalf of the NCW-HERC, the regional HazMat tabletop exercise in Marshfield. This exercise tested a possible hazardous materials spill requiring response from Public Health, Emergency Management, local EMS and Fire Departments and Hospital Systems. Over 50 people participated regionally in this exercise.

WOMEN, INFANTS AND CHILDREN (WIC) REPORT – CAMEN HOFER, RD, CD, IBCLC

• WIC started hybrid appointments on August 10 under the new ARPA waiver that allows remote appointment options through September 2026. Under this waiver, WIC needs to gather height, weight, and hemoglobin results either from referral data from a provider or in the WIC office. We continue to have 1-3 families coming for an in person appointment each clinic day.

Dec

Nov

• Caseload remains at its highest in several years. We have been opening extra WIC clinics to manage the increase in caseload and are scheduling out farther than usual for appointments.

Caseload for 2023 (Contracted caseload 1417)											
	Dec 2023	Jan 2024	Feb	Mar	Apr	Мау	Jun	Jul	Aug	Sep	Oct

Cas

WOOD COUNTY HUMAN SERVICES DEPARTMENT REPORT March 2024

Director's Update by Brandon Vruwink

Last month, I reported submitting a grant to provide additional services to Youth in South Wood County. The grant is specific to South Wood County because it is a local grant opportunity that supports the South Wood County area. I am pleased to share that we were selected to move on to the next round of the grant process. The next step requires a presentation and a full grant proposal. I am working on putting the grant together and preparing the presentation. We will be notified in June if we are awarded the grant.

I plan to attend the WCA Health and Human Steering Committee on March 22 at the Hotel Mead in Wisconsin Rapids. John Tuohy, the Executive Director of the Wisconsin County Human Service Association, will present the WCHSA priorities for the next state budget. The list is long as needs within the Human Services realm continue to grow. WCHSA will work collaboratively with WCA to narrow the priority list so we can begin our advocacy effort this fall.

I attended a listening session with the Wisconsin Rapids School Board on March 18. I was invited to participate in a facilitated discussion as the School District begins the search for a new Superintendent. The committee sought feedback on the characteristics the community values as the school board recruits for a new superintendent.

I was recently notified by the Wisconsin Department of Children and Families Division of Safety and Permanence that Wood County Human Services was one of the highest-performing counties statewide for Social Worker contacts with children placed in out-of-home care. Wood County contacted 99.05% of children; the federal benchmark is 95%. I have included the letter from John Elliot, the Division of Safety and Permanence Division Administrator, in the H&HS Committee packet.

Facilities Manager Van Tassel reached out to share that he is working with the power company to complete the repairs necessary to permanently fix the power cable at River Block. The repair requires a power outage that will last for two days. The tentatively planned outage dates are Thursday, May 30, and Friday, May 31. This will require the closure of the River Block Building. We are beginning to plan to accommodate the closure and ensure that our customers continue receiving service over these two days.

Our Administrative Team and I have created a training series to provide additional education and support to our team. The six-part training series will be held over the next three months. All staff are invited to attend one or all of the sessions. We have offered in-person and remote options for staff to participate. I look forward to working collaboratively with the leadership team to provide additional educational opportunities to our team.

Deputy Director's Update by Katie Miloch

As I wrap up my third month in my new role as Deputy Director I'd like to thank everyone for their patience and grace as I learn new sides of Human Services. My focus continues to be building and strengthening relationships within our department as well as with our community partners in an effort to improve collaboration and service delivery. I have met with all of the Superintendents throughout Wood County to introduce myself and get to know them personally and how we can work best together. The Family Services team is making great strides in collaborating with school districts and there are ongoing meetings scheduled to keep this momentum going. I have also begun monthly meetings with Honorable Judge Brazeau and have regular communication with him and his

colleagues regarding process improvements, improved collaboration, and mental health service options for those involved in the criminal justice system.

In transitioning to my new role, we've decided to keep the Emergency Mental Health/Adult Protective Services (EMH/APS) unit under my direct supervision. In doing so, a Lead EMH/APS position was created from an existing position and I'm happy to share that Kari Olson has accepted that promotion. Kari has extensive knowledge of crisis intervention, adult protective services, and has recently graduated with her Masters degree in Social Work. Kari has amazing organization and her leadership skills have positively impacted our team. We are currently recruiting for one EMH/APS Coordinator position located out of Riverblock. One significant change we've recently experienced within APS is the expectation that county APS workers will initiate the start of facility investigations when there is concern regarding a licensed adult family home, community based residential facility, assisted living facility, or nursing home meeting the needs of their residents. DHS has provided minimal guidance on this new expectation and there are ongoing discussions about what this means for local APS units.

I am fortune enough to have the opportunity to participate in the upcoming High Performance Leadership program offered through NACo. This is a twelve week online program which will provide best practices in leadership, organizational development/change management, negotiation and collaboration, and effective business communication. I am eager to build on my skills and bring back what I learn to others in the department.

Administrative Services Update by Mary Schlagenhaft

Administrative Services Team members attended various meetings specific to their job duties during the month. These included, but not limited to:

- Health & Human Service 2024 monthly Budget projection meetings (all locations), Operations, County Board, Team Building, Division Specific Management, Process and Individual Progress Meetings Review and Updates for Division Policies. Performance Evaluations for team members up to date. All team members worked together to cover shortages in immediate needs due to absences and vacancies.
- Currently One Vacancies in this Division
- Additional accomplishments: Ongoing EHR Smartcare learning, workflows and processes.

Accounting and Accounts Payable Team

- EW Internal VA discussions regarding billing, setup in MATRIX and YE end entries
- Call with VA regarding appropriate billing practices, questioned payments received, sent examples of variances
- De-escalation training
- Attended DSH Education session
- 2024 contracts wrapped up. Including 5 new contract requests and 2 addendums.
- Addendums to 2023 contracts work has begun.
- Cost Report work continues at EW/NHC
- NHC testing Matrix ability to handle resident accounts
- AR-AP Specialist at NHC cross trained on EW EOB markups.
- Yearend entries continue to wrap up for 2023
- 2023 SNF Cost Report Completed and submitted for Review, on time.
- The following 2023 year end reports and funding reconciliations were submitted timely:

Community Support Team (CST), State Transportation, Providing Safe & Stable Families (PSSF), Dept. of Children & Family (DCF), Independent Living Skills (ILS), Brighter Future Initiative (BFI)

Support Services Team

- Behavioral Health Clinic service notes: We are transcribing **2/20/24 as of 3/8/24**; 16 notes are outside of the 14 day window.
- We currently have a total of 96 dictations waiting for transcriptionists as of 3/8/24 February: Total Service Notes 215/192 entered by Units

OPC: dictated 197/completed 175 – majority entered w/in 5 days FS: dictated 18/completed 17- majority entered w/in 1 day

- Records Released:
 - Behavioral Health Records Released: **72**
 - Family Service Record / Background checks Released: 30
 - Records pending/in progress: 5
 - Total Completed: **102**

Other Unit Information

- No vacant positions
 - 2 staff on intermittent FMLA
 - o 2 staff on continuous FMLA estimated return 3/13/24 & 3/18/24
- HIPPA:
 - o 0 HIPAA/Confidentially breach in February
 - $\circ~$ Continue w/ destruction of RB- FS records; Begun Destruction of FS MFLD records housed at NHC

Claims & Accounts Receivable, Client Interactions

- Ongoing Smartcare meeting, testing, progress and workflows
- Ongoing Testing of 270/271 eligibility verification file transfers
- Continued research on additional payer sources for all locations

Insurance Claims created and submitted for current reporting

- Norwood: 177 Claims submitted in the Amount of \$926,411
- Edgewater: 18 Claims submitted in the Amount of \$213,737
- Community: 4,430 Claims submitted in the amount of \$464,699
- Community: Accounts Receivable receipts: \$468,078

Service Admission Intakes - by Location

- NHC Admissions: 28, LTC 0
- Bridgeway: 10
- Edgewater: 16
- Community
 - 50 intakes for new clients conducted
 - 1,342 Appointments Scheduled, 904 Attended (67%)

2024 TRIP Monies received YTD:

- Norwood: \$10,226
- Community: \$15,913

Additional Department Information:

Change Healthcare cyber-attack incident, 2/21/2024, Reported by Mary Schlagenhaft, 3.15.2024 On February 21, Change Healthcare experienced a network interruption due to a cyber-security issue. This issue impacted the ability to electronically submit insurance service claims.

Change Healthcare is the Claims Processing clearinghouse that our software EHR Matrix uses at our Hospital and Nursing Home locations (EW and NHC). Upon learning of this cyber security issue Matrix disconnecting the EHR software from Change Healthcare. This was done to protect Matrix software data. This Change Healthcare incident did not affect the Community division as that division uses a different claim clearinghouse vendor which did not experience network interruptions.

This interruption has affected our ability to process claims to payer sources since 2/21/2024 for Edgewater and Norwood locations. Director Vruwink as well as the leadership of these two facilities have been kept up to date on this situation, the progress made, and contingency plans considered. I have spoken with the Wood County Treasurer to alert that there will be potential cash flow concerns through May 2024. The Treasurer has indicated that County Cash flow will remain adequate through that period. On 3.6.2024 the Administrative Division leadership and the team claim specialist met to discuss what can be done to get claims submitted if not able to do electronically. We explored various considerations and found the software used by the Community Division would be able to facilitate these needs with additional set ups and manual entries. There is also opportunity for manual entry into various insurance software (Forward health being one). While doable- it is not as desirable of an option as manual entry would be required for all data fields of the claims. This option will be enacted effective week of 3/18/2024 to keep up on claim submission.

On 3.7.2024 Matrix (EHR software) announced a service engagement with Inovalon, a alternative claims processing clearinghouse. Matrix conducted training on this new software on 3/11 and again on 3/13/2024. Matrix testing of Change Healthcare as well Inovalon will start on March 18th. The time frame to resume electronic submission from EHR software is pending Matrix successful testing of the clearinghouses performance.

What does this mean for the Human Services Department and Divisions: Slight (30-60 day) delay in submitting claims for with our various payer sources. Delays on secondary billing for those clients who may have more than 1 payer source. Short term fluctuation of Accounts Receivable, and the biggest concern: potential risk of our consumers Claims Data being breached. As of 3.7.2024 the following statement was made by Matrix: *"MatrixCare's security team conducted an investigation and determined that our systems were not compromised. Change Healthcare has not stated that they are aware of any compromises at this time."* Statement from FAQ Unitedhealthgroup 3.11.2024: *https://www.unitedhealthgroup.com/ns/changehealthcare.html "Our privacy office and security information teams are actively engaged and working to understand the impact to members, patients and customers."* I will continue to keep leadership involved on progress in this matter.

Community Resources Update by Olivia Lloyd

Transportation: In February, the Transportation program provided 773 bus rides. Of these rides, 205 were for employment, and 93 were for medical. The program also provided 133 volunteer rides. Of these, 51 were for employment, and 82 were for medical. Our casual driver position has been filled. This will allow us the opportunity to provide more rides throughout Rapids and Marshfield. Results from a customer satisfaction survey show that 96% of riders are satisfied with program services. Riders said our service is efficient, clean, safe, affordable, provides independence and allows for social interaction. Riders gave many thanks to our driver and said they are professional, friendly, caring and helpful.

WHEAP: Since the 2024 heating season began October 1, 2023, Wood County has provided Energy Assistance services to 1811 households. The program has also provided 16 households with furnace repairs, and 23 households with furnace replacements.

Employment & Training Programs Update by Lacey Piekarski

Serving Wood, Portage, Adams, Marathon, Lincoln, Langlade, Vilas, Oneida & Forest counties

FoodShare Employment & Training (FSET) Program: The FoodShare work requirement was initiated in Wisconsin beginning October 1, 2023. Through the first 3 months, FSET experienced an increase in referred customers, yet with DHS policy changes, customers were able to update their work requirement status without enrolling in FSET, thus resulting in lower enrollment totals Oct – Dec 2023. FSET continues to contact customers the same day referrals to the program are received to offer program information as quickly as possible, as well as train staff to ensure FSET is adequately explaining the benefits of the free, voluntary program.

Point-in-time (3/11/24) enrolled caseload total: 928 customers, enrolling 40% of customers referred.

Beginning in January 2024, FSET began providing on-site case management with Mary's Place of Central Wisconsin – Wisconsin Rapids location. This partnership continues to grow, offering weekly to bi-weekly case management support to assist co-enrolled customers obtain and maintain employment.

The FSET Program is excited to begin a DHS approved third-party Nursing Assistant (C.N.A.) program at Edgewater Haven, to support FSET customers to obtain their Nursing Assistant training, then supporting obtaining employment in the field. The first course begins April 15^{th.}

Independent Living Program: The Independent Living (IL) Program finalized 2023 data for the second half of the program year (July 1 – December 31, 2023), sharing the following outcomes:

- 102 total youth served, 28 of which were under age 18 and still in-care, transitioning support to the regional Independent Living Program upon turning age 18
- 10 youth answered yes to experiencing human trafficking prior to age 18
- 33 youth continued their education including high school, GED, HSED, or post-secondary education
- 22 youth started new employment; 55 total youth continued employment through the period
 - Wages averaged \$15.09/hour, averaging 33 hours/week
- 32 youth obtained housing as a result of efforts made by IL to connect to housing or housing connections

The Independent Living Program continues to prioritize connections with Child Welfare Agencies to transition support as youth age out of care. Two youth from our region attended a DCF strategic planning training in February to learn and prioritize youth-lead projects in 2024.

Family Services by Jodi Liegl

Recognition from the Department of Children and Families: In February, Wood County received a recognition letter from John Elliot, Administrator with the Division of Safety and Permanence at Wisconsin Department of Children and Families. Any time a child or youth is placed outside of their home, workers must maintain monthly face-to-face contact to ensure their safety and well-being and document the contact in our database. The federal benchmark requires at least 95 percent of children are seen monthly. In the Federal Fiscal Year 2023, Wood County exceeded the benchmark as saw our

children and youth with a percentage of 99.05. The letter is included in the packet for your review. We applaud our staff in their diligent efforts.

Out of Home Numbers: Family Services continues to face challenges regarding the placement of children and youth presenting with significant needs. The adolescent population has historically been difficult to find placements, as many foster homes are not comfortable managing this age group. This often results in the need to place them outside of our community and in higher levels of care, such as group homes or residential facilities. Rita's Place, a group home in Mosinee, has historically taken placement of many of our youth and provided quality service. The close proximity of Rita's Place was a benefit to workers being able to support the youth and placement. Unfortunately, we recently learned Rita's Place is closing in early April due to financial and staffing challenges. Currently, we have three youth placed that we need to find alternative placements. The closing of Rita's Place group home will have significant impacts on youth as well as counties that already face placement challenges. While the needs of the youth we serve are not decreasing, the placement resources around the state are decreasing. In November 2022, Eau Claire Academy, a residential treatment facility also closed its doors due to staffing shortage. Having limited facilities creates more competition in gaining an acceptance into a placement. Youth who have histories of physical aggression, self-harming behaviors or suicidal ideation, and sexualized behaviors are particularly challenging to find placements. At the current time, we are actively seeking placement out of state for some of our youth that have been denied by facilities throughout Wisconsin.

Youth Assessment and Screening Instrument (YASI): The YASI is an evidence-based tool used specifically with youth who enter the Youth Justice system in Wisconsin. The assessment measures the youth's level of risk, needs, and strengths. This information then guides consistency in decision making during the juvenile intake process. The information gathered during the assessment, assists in the creation of the case plan uniquely tailored to their individual needs and strengths if the youth is opened for services beyond the intake. Practicing with a validated assessment tool helps to identify the level of supervision and services that would most benefit the youth. Research shows youth who score low risk by a validated assessment and are diverted from the Youth Justice system recidivate at lower rates than comparable youth whose cases are formally processed through the court system. Workers are required to attend a series of training including a four-day training session delivered in two stages and two half-day booster sessions to use the YASI.

Personnel: Family Services welcomed Aubrey Garski, as the Ongoing & FSET Social Worker. Recruitment efforts continue for the vacant Youth Justice Case Manager/Social Worker.

Edgewater Haven Update by Justin Cieslewicz

Census Updates: In the month of February we had 16 admissions and 7 readmissions. Current Memory Care census is 16 residents. Census comparison to last year: February 2023 – 46.36 average census with 8 rehab February 2024 – 46.03 average census with 7.79 rehab

Admissions/Discharges Comparison: February 2023 – Admissions 14/Discharges 13/Readmissions 7/Deaths 4 February 2024 – Admissions 16/Discharges 5/Readmissions 7/Deaths 2

With an average census of 46.03 residents, Edgewater's census achieved 50 residents for multiple days in February. With our current available staffing 50 residents is the absolute capacity to ensure safe staffing ratios.

Personnel Updates: Open positions of writing this: Nursing – CNAs: .97 CNA, .97 CNA, .97 CNA. Med Techs: .97 Med Tech/CAN. Licensed Nurses: .97 LPN, Activities: .97 Recreational Therapy Aide.

The Nurse Aide Training Program is scheduled to begin on April 15, 2024. To prepare for the course Edgewater and the FSET Program have been holding regular meetings to ensure proper coordination. There has been significant interest from individuals in participating in the course. We anticipate that the course will be successful and have intentions to offer employment to the students in the course.

Legislative Update: On February 5, 2024 State Senator Patrick Testin spent the day at Edgewater Haven to learn the various daily activities throughout the facility. From working in the kitchen, assisting with maintenance duties, to interacting with our certified nursing assistants and licensed nursing staff, participating with our residents in activities, and learning the importance of therapy, the Senator was able to experience firsthand, the various roles and responsibilities of the dedicated staff who serve their residents every day. We are happy that Senator Testin was able to partake in the day, and we also thank our dedicated Edgewater team in showing him what makes Edgewater the high quality nursing facility that we are.

Norwood Health Center Update by Marissa Kornack

The criminal investigation of the former employee and their alleged misappropriation/exploitation of funds has concluded. Charges have been field by the DA's office, with an initial appearance on 3/25. The Department of Safety and Professional Services (DSPS) proceedings have concluded, with the former employee forfeiting their professional license.

After our citations (related to abovementioned employee's action), were upheld in the first level of appeals in August, we filed the second level of appeal in September in light of the significant fines we could be facing. An administrative law judge and attorney from CMS (Centers for Medicare and Medicaid Services) were assigned to the case.

Following negotiations between our attorneys and CMS, CMS advised they would not pursue civil monetary penalties and agreed to the dismissal of the appeal, thus closing this matter. Although very unlikely, there is a possibility the Wisconsin Department of Health Services or Division of Quality Assurance could decide to levy fines, at which time we would again engage our attorneys.

Norwood Nursing Department by Liz Masanz

As reported last month, Marissa, Liz, and April (scheduling and payroll coordinator) have been researching/calculating budget dollars to contemplate making some staffing model changes on the hospital unit, which would incorporate utilizing more RNs and less mental health techs (CNAs). In February, we combined some vacant MHT positions to create/modify some RN positions, which are currently posted. The changes are budget neutral by combining vacant tech positions and utilizing budgeted agency dollars.

We are currently utilizing one agency CNA to cover open positions. There are 4.00 vacant CNA FTEs at this time, along with one casual tech position. We also have a 60% weekender RN position and casual RN position vacant and posted. We were able to hire a full time RN this month, and they will be starting in April.

Marissa and Liz have been in discussion with Oak Medical regarding possibly providing medical directorship and physician services, which is currently provided by Marshfield Clinic. This is in light of the issues/instability currently facing Marshfield Clinic.

The software we have been using to track facility infections/infection control tool, IQI, is dissolving as a company and is no longer able to provide us services. We have been unable to find another software that meets our needs, so we are back to utilizing an Excel workbook.

Admissions Unit: The average census for the month of February was 5.69 and 6.40 year-to-date, with an average length of stay of 6.18 days. There were twenty-eight admissions and thirty-five discharges, and no 30-day readmissions.

We have a series of psychiatric nurse practitioner students, medical students from the Medical College of Wisconsin, a psychology fellow, and three social work interns completing learning/clinicals on the unit.

Unit leaders are continuing to complete audits and reviews of treatment plans as survey preparation, as we are close to our survey window, with surveys occurring every 2-3 years. Our last survey was March of 2022.

Long Term Care: The long- term care unit had no admissions and two discharges in February, with an average census of 11.93 on Crossroads and 11.48 on Pathways. We have two potential pending admissions.

Head Nurse Amanda and Medical Assistant Lori are developing a master vaccine list to track vaccinations for residents.

Recruitment for the client services assistant concluded in February. Stephanie Winker joined us in March and is completing her onboarding.

Norwood Health Information Department by Jerin Turner

Jordyn Pelot resigned from her position as Health Information Technician effective 2-23-24. Hollie Kohler has been hired into that position, start date to be determined. We are currently recruiting for a full time receptionist and will be doing interviews the second week of March.

Norwood Dietary Department by Larry Burt

Congregate meals for the month of February were 6,119 with revenue of \$45,198. Meals for the year are 11,567 with revenue of \$85, 431.

As of writing this, we have no vacant positions and are fully staffed.

Norwood Maintenance Department by Lee Ackerman

Capital Improvement Updates: 2023 Carry Over Projects

- Air Handler Rebuild (Phase 1): The first of (3) fans was rebuilt this month and the process went as well as can be expected. Because this fan does not serve a residential area, we were able to perform this work on a relatively warm day without safety risk. The remaining fans will be completed once weather is consistently warmer.
- East Entrance Doors: The overhead door for the East loading dock finally arrived and was installed.
- Building Security: there was a good turnout for bids on the Lobby renovation. I am working with Ratsch Engineering to verify that the lowest bid received meets all of the specifications before that contract is awarded. Once that contract is in place, we expect a wait time on some

materials of 6-8 weeks. We plan to wait until all materials are onsite before beginning the construction to avoid leaving unfinished areas for an extended time.

Capital Improvement Updates: 2024

• Water Pipe Replacement, Ph. 1: An appointment has been arranged to have a water system design engineer and an architect tour our facility to help assess the best way to address the deteriorating water lines and estimate potential costs for completing.

Other Maintenance:

Water Management: As part of our response to positive legionella water tests, we have been flushing extensively and using filters on showers to ensure the safety of the residents. These measures come at a cost; the required filters designed to remove legionella cost about \$100 each and last for 30 days, plus the one-time cost for an adapter if needed. Add to that water testing. All told, we have incurred \$8,317.53 in costs since this issue was discovered. Add to that the water/sewer utility bill for January was double the average monthly rate in 2023.

As I mentioned in the Water Pipe Replacement update, a facility evaluation is scheduled for March 5th which will offer guidance on how we should proceed and possible costs. We will share further information at the March HHSC meeting.

MINUTES EDGEWATER HAVEN DONATION AD HOC COMMITTEE

DATE:Thursday, February 22, 2024TIME:4:00 PMPLACE:Edgewater Haven Nursing Home Conference Room 110

MEMBERS PRESENT: Kathy Zellner, Tracey Draper, John Hokamp, Justin Cieslewicz, Tom Buttke, Matt Passineau

OTHERS PRESENT: Brandon Vruwink, Tiffany Koeshall

- 1. Chairman Buttke called the meeting to order at 4:00pm.
- 2. Chairman Buttke declared there was a quorum present.
- 3. There was no public comment.
- 4. The minutes of the October 26, 2024 meeting were reviewed. Motion by Hokamp/Draper to approve them as presented. Motion carried unanimously.
- 5. An update was provided on the donation balance by Zellner: \$5449.90
- 6. There are no new quotes for items or projects. Everything has been purchased except for the plaque.
- 7. Donation plaque options were reviewed and discussed. The Wood County logo is a tree so working with Awards and More to create more of an art piece plaque that looks like a tree with different color leaves for the level of donations. Updated the original donation tiers to add for lower level donations: Tier 1: \$500-\$2499 and Tier 2: \$2500-\$4999. Motion to add the small tiers to the original 4 tiers by Hokamp/Passineau. Motion carries unanimously.
- 8. Tour of Edgewater Haven to review purchased items: 10 AC units, 2 blanket warmers, activity room updates with new closets, outside bench, composite for other bench, 5 hip chairs, patio table/chairs, family room table/chairs, 5 water fountains, Tovertafel, 500 wing wall removal, fish tank.
- 9. Items for next agenda: none.
- 10. Next meeting date: tentatively at the next Edgewater Haven HHSC committee meeting- Justin will let committee know.
- 11. Motion to adjourn by Hokamp/Passineau. Motion carried unanimously.

Minutes taken by Tiffany Koeshall, Executive Administrative Assistant, and are in draft form until approved at the next meeting.

County of Wood

February 20, 2024

Brandon Vruwink, Director Wood County HSD 111 W. Jackson St Wisconsin Rapids, WI 54495

Dear Brandon,

The Department of Children and Families wants to recognize your agency's successful efforts at completing and documenting caseworker contacts for children in out-of-home care. The efforts of your staff have directly contributed to Wisconsin exceeding the federal requirement that at least 95% of children in out-of-home care have face-to-face contact with a caseworker at least once a month.

As one of the highest performing counties statewide, Wood County demonstrated the exceptional performance of 99.05% for FFY 2023.

As you know, research indicates that regular face-to-face contacts with children by the caseworker are essential to meeting the safety and permanency goals established in the case plan and achieving positive outcomes for children and families. The federal requirement to document contacts with children is based upon the importance of caseworker contacts with children to ensure the safety and well-being of children while in out-of-home placement. Staying current with case documentation also keeps the eWiSACWIS case record up to date when information is needed about the case.

The Department of Children and Families thanks your child welfare staff for their ongoing commitment to the safety and well-being of some of the most vulnerable children in our state.

Sincerely,

A (1/1191 É//1111

John Elliot, Administrator Division of Safety and Permanence

CVSO Report to the Wood County Health and Human Services Committee

Meeting Date: March 28, 2024

February 2024 Activity: During the month of January we completed/submitted 238 federal forms include:

- 28 Intent to file a claim (this marks the effective date while we assist the veteran in gathering all the required supporting documentation)
- 17 Appeals Higher Level Review, Notice of Disagreement (appeal)
- 17 New claims for disability compensation
- 0 New claims for veterans pension
- 5 New claims for surviving spouse benefits (DIC or surviving spouse pension)
- 27 New applications for VA Healthcare
- 27 Appointments of Claimants Representative (POA for American Legion, VFW, DAV etc.)
- 7 Burial and marker applications

Activities:

- 1. Completed as of March 20, 2024:
 - a. February 15 Wisconsin Department of Veterans Affairs virtual training.
 - b. February 20 Milwaukee VA Regional Office Director's VSO call in.
 - c. February 22 NVLSP Webinar on VA Benefits for Gulf War Illness and Diseases Caused by Burn Pits.
 - March 7 Testimony to Wisconsin Senate Committee on Universities and Revenue on AB 102 Reducing the eligibility threshold to claim the Veterans and surviving spouses property tax credit.
 - e. March 13 Heroes' Café, First 2024 meeting at Crossview Church.
- 2. Near Future:
 - a. March 21 AB 416 Bill signing at the Governor's office. The CVSO Grant bill removing the requirement for Civil Service Exam or Civil Service competitive procedure in hiring of CVSO to be grant eligible.
 - b. April 15-19 CVSO Association spring Training Conference Green Bay.

Office updates:

- 1. State Supplemental Grant (\$19,178 to be used 2023-2024) update. The remaining \$3,708.44 to be expended in 2024 has been approved in a budget amendment but has yet to be allocated.
- 2. Wisconsin Rapids Heroes' Café has moved back to Crossview Church and will be meeting the 2nd and 4th Wednesday of the month beginning at 8a.m.
- 3. Another successful collaboration with Wood County Human Services. The Jail Discharge Planner contacted our office on a veteran expected to transition out of jail and who would have been homeless was reconnected with the State of Wisconsin Veteran's Housing and Recovery Program in Chippewa Falls. After coordinating an application and phone interview the veteran was accepted into the program and went there directly upon his release march 12th.
- 4. Training results. As mentioned earlier while attending a training conference we learned that obesity by itself is not a VA ratable disability it can be cited as an intermediate step between one rated disability and another. We received our first rating on this theory recently. Due to the muscular/skeletal VA awarded disabilities the veteran became obese and due to this he developed Diabetes mellitus and Obstructive Sleep Apnea. Veteran's disability rating went from 80% to 100% providing the veteran and his family (Spouse and 3 minor children) an additional \$1815 per month in tax free compensation, CHAMPVA health insurance (no premium) for the family, The Wisconsin

Property Tax Credit and Federal Education Benefits for the spouse and each child. The office has several other veterans we are attempting to claim similar disability based on the obesity intermediate risk factor for service connection.

GET TO KNOW YOUR CVSO/TVSO Each County and Tribe has one

Why do we have them

- In 2022 the Federal VA spent \$4.11Billion in Wisconsin
 - Your CVSO's/TVSO's are the gatekeepers
- Wisconsin State Statues 45.80 requires counties to have one
- Veteran's benefits/programs frees up other limited local resources

Overview:

 The Money-VA Federal GDX and Veteran Demographics

- CVSO's / TVSO's
- CVSO Association of Wisconsin
- Q and A

Money-The Federal GDX and Veteran Demographics for FY2022

- The Federal VA estimates there are 331,650 Veterans in Wisconsin
- That \$4.11 Billion is broken down as follows:
 - Total \$4,119,082,000
 - Compensation & Pension \$1,820,344,000 going directly into Veteran's/survivor's accounts in your local banks.
 - Construction (VA buildings) \$8,300,000
 - General Operating expenses \$70,880,000
 - Education & VR&E \$103,083,000
 - Insurance and Indemnities \$18,780,000
 - Medical Care \$2,097,694,000. 121,102 unique patients or 37% of WI Veterans

The Federal GDX and Veteran Demographics for FY2002-2022

Year	Veterans	Total	C&P	Medical	Patients
2022	331,650	\$4,11B	\$1.82B	\$2.09B	121,102
2017	363,898	\$2.86B	\$1.2B	\$1. 46B	123,422
2012	419,461	\$2.03B	\$861M	\$942M	116,497
2007	446,415	\$1.28B	\$571M	\$595M	Unknown
2002	494,962	\$900M	\$405M	\$399M	83,835

20 Year change

(33%) 357% 347% 424% 44.5% Even though the Veteran pop. is smaller the benefits have increased an average 17% per year.

Some Key Demographics

- "VA's 2018 population model estimates for 2021 indicate there are 5.9 million American Veterans who served during the Vietnam Era, and 7.8 Million who served during the Gulf War 78% of Veterans in 2021 served during wartime."
 Pew Research Center "The Changing Face of America's Veteran Population" April 5, 2021 by Katherine Shaeffer.
- "41% of Post 9/11 active-duty Veterans have disability ratings, compared to 25% of other era's."
 <u>2019 Annual Survey of Veterans Employment and Status</u>, Dept of Labor's Bureau of Labor Statistics
- "Post 9/11 Veterans More Likely than Non-Veterans to be

68

Employed and they earn more"

<u>The Employment, Earnings, and Occupations of Post-9/11 Veterans</u> November 10, 2020, US Census Bureau Report Number ACS-46, Clayton Gumber and Jonathan Vespa

- CVSOs are <u>mandated</u> by Wisconsin State statute 45.80 and is either elected or appointed based on the counties' type of administration
- Qualifications- Wisconsin resident who served on active duty under honorable conditions in the U.S. armed forces (see 45.01(12)(a)-(d) and 45.02(2))
- For the most part the CVSO is an unfunded mandate. A small annual grant is available to Counties and to Native American Tribes to improve services to Veterans
- TVSO's provide similar services under their Nation or Tribal directives

Duties as directed in Wisconsin State Statue 45.80(5):

- Advise persons living in the service officer's county who served in the U.S. armed forces regarding any benefits to which they may be entitled or any complaint or problem arising out of such service and render to them and their dependents all possible assistance
- Make such reports to the county board as the county board requires
- Cooperate with federal and state agencies that serve or grant aids or benefits to former military personnel and their dependents
- Furnish information about Veterans burial places within the county as required by s. 45.62 (2)
- Perform the duties prescribed by law, including those duties listed above separately and distinctly from any other county department

Permitted activities as outlined in Wisconsin State Statue 45.80(6):

- Inform persons living in the service officer's county who are members of the national guard or of a reserve unit of the U.S. armed forces or dependents of those persons regarding potential benefits to which they may be or may become entitled and regarding all necessary military points of contact and general deployment information for activated and deployed members of the national guard or reserve units of the U.S. armed forces
- Cooperate with federal and state agencies that serve or grant aids or benefits to members of the national guard or reserve units of the U.S. armed forces and their dependents

- Accessibility Local face to face resource.
- Advocacy We are outside of the influence of Regulatory Agencies = OUR FOCUS IS THE VETERAN (we are not the VA)
- We are a touchpoint for veterans through every phase of their life cycle – from Discharge through Death
- Relationship Veterans Trust and Talk to Veterans
- Networking
- Specialized Training and Experience

On any given day in the CVSO office.

- VA disability claims & appeals.
- Homeless
- Suicidal and other mental health issues
- Unemployment
- Education
- Poverty
- Incompetency
- Rent or energy assistance
- LGBTQ issues

- VA medical enrollment
- VA medical billing
- Income verification
- VA Debts and waivers
- Military Sexual Trauma
- Life Insurance
- Burial/Death Benefits
- Private/military/VA medical records review
- WI Property Tax Credit and DNR, DOT programs

On any given day in the CVSO office interacts (networks) with:

- Veterans, dependents, and survivors
- County, State and Federal elected and administrative officials
- Veterans Service organizations (state and local)
- Social workers/case managers, discharge planners/Doctors
- Hospice, nursing homes, assisted living

- Income maintenance Medicaid/energy/HUD/HUDVASH
- Non-profit organizations
- Funeral homes, cemetery, monument companies
- Hospitals & emergency rooms
- Attorneys
- Police/sheriff, courts, jail, prison and parole
- Coroner

Role of CVSO Association

The CVSO Association's main focus is the professional development and education of it's members.

Through the County Veterans Service Officers, the Association is committed to Wisconsin counties to provide a vital and efficient system of services and advocacy to Veterans, their dependents, and survivors.

The CVSO Association promotes legislation and policy at both the state and federal levels that is supportive of Veterans' rights and issues that are in harmony with our national obligation to veterans of the United States armed forces. The association provides a medium for the exchange of ideas and information, training, and support to facilitate the delivery of services.

It is the intent of this organization that every Veteran residing in Wisconsin receives the benefits and services to which they are entitled by law and moral obligation.
