Steve Kreuser called the meeting to order at 10:31 a.m.

1. Introductions were made.
2. **Minutes of the May 23, 2018 Traffic Safety Commission Meeting.**

Motion to accept and place on file minutes from the May 23, 2018 Traffic Safety Commission meeting made by Shawn Becker. Seconded by Melvin Pedersen. Motion approved unanimously.

3. Review One (1) fatal crashes

Crash is a Wisconsin Rapids Police Department crash, no one present to discuss. Shawn Becker gave the details that he knew on the crash.

4. Discussion of Jake Break

Roland Hawk is working with the Sheriff Dept on putting up a sign for CTH A. The township does not want the ordinance however, the Highway Dept can still put up a sign omitting the ordinance and it still can be enforced as a disorderly conduct.

Dennis Polach states that he thought there was an issue on where the sign will be placed. Roland described how in this case it will not be placed at the boundary of the township, but this instance it will be close to the intersection.

5. Railroad Crossing Blockages

Steve Kreuser stated that the City of Wisconsin Rapids is developing an App so people know where the train is and possible routes to avoid.

6. ATV Discussion

Roland Hawk discussed with the committee a resolution the Highway Dept is working on to develop ATV trails to connect existing trails. This will open up certain County highways to be used, trails still have to follow state and local codes and the township will be able to dictate some of the rules. The subcommittee states that if a township does not want it, they will not push it.

Shawn Woods, Nekoosa PD, stated that Nekoosa passed an ordinance for ATV routes in the city of Nekoosa. They do need some help from County and State to open some portions of the route for those areas over 35 MPH.

A question was asked by Bill Clendening as to who will be paying for trail signs. Roland advised that the HWY dept can absorb some of the signs, otherwise ATV clubs, however, Highway Dept will put them up and maintain.

As this continues, the Sheriff Dept said it is possible to have a patrol unit funded by DNR, also will look at a grant to help funding for trails.

7. Report from the Department of Transportation Engineer

Dan Brugman was not present but sent out an email for updates.

8. Local Program Specialist Report and Highway Safety Plan Solicitation

Trace Frost, WI DOT BOTS, gave state wide fatal statistics for this year at 371. Last year at this time the state had 396 fatal crashes. BOTS is coming up with a phone app for seat belt survey for local use. He briefly went over Wood County profile and will email to the TSC. Profile has a lot of data for the county in comparison to the State.

9. Other Business brought properly before the Commission:

Roland Hawk brought to the committee an issue brought up by Coalition against Big Trucks. Federal Government trying to update regulations to update trucks for a higher weight, up to 91,000 lbs and longer trailers which brings a question on infrastructure. Bill Clendening will add on legislative agenda.

Roland Hawk made a motion to oppose the Federal Bill for bigger & longer trucks. Seconded by Shawn Woods. Motion approved unanimously.

Roland Hawk made a motion to make Joel Ortman as 1st Vice. Seconded by Melvin Pedersen. Motion approved unanimously.

10. Public Comments.

None

11. Adjournment.

Melvin Pedersen made a motion to adjourn at 11:25 a.m. Seconded by Shawn Woods. Motion approved unanimously.

The next Traffic Safety Commission meeting is scheduled for Wednesday, November 28th at 10:30 a.m. at the Wood County Highway Department
