

MAY lunch & learn:

BED BUGS & LICE & FLEAS, OH MY!

Bring your lunch and join us!

Bed bugs, lice, fleas, mites, scabies, cockroaches . . . EWWW! Just mentioning these bugs can make your skin crawl! But learning about them can reduce their impact if you do come into contact. Join us to learn:

- How to identify an infestation
- Symptoms and treatments
- Prevention & control methods

presenter: Greg Kolodziej, Environmental Health; Wood County Health Department

date: Wednesday, May 10

time: 12:00-12:45pm

location: Wood County Courthouse, Room 114

RSVP: Appreciated for room set-up: Wendy Young at 715-421-8437 or wyoung@co.wood.wis

Presenting Partners:

- Employee Wellness
- UW-Extension
- Healthy People Wood County
- Health Department
- Wisconsin Rapids Community Media

This event is open to the community!

It is part of the Wood County Employee Wellness Program. Employees can earn 100 wellness points for Quarter 3
