Dept. Head/Humane Officer Nanci Olson
Report June 14th – June 27th 2020

6-14; Reports

6-14; WC8167 Sanitation concerns, Open Case. 40

6-15; WR10393 Dog bite @ 500 block of east Grand Ave., owner was bit by his own dog on June 12th and reported today. 18

6-16,17; WC9057 Dog bite to the owner of an older Teddy Bear dog. Owner was bit in the hand and has noticed numbness and loss of grip, she will be getting xrays. 0,10

6-16,21; WR10673 Dog bite at a local Rapids business. A Child was bit in the hand when, with permission, she reached behind the counter to pet the dog. 14,14

6-17,21; WC9222 Anonymous complaint of two bully type dogs needing veterinarian care and they had concerns of the conditions of the mobile home. I found: One dog was in fine shape, the other, 2nd dog is under veterinarian care, I did speak to the vet about the lump on the underside of the belly area and the vet said until it bothers the dog that surgery isn't required at this time. But I did issue an Order of Abatement to take the 2nd dog back to the vet to address the sore ears that were covered in scabs. Also the kennel the 2nd dog is inside most of the day is too small, the owners are to obtain a kennel that is large enough for this dog to turn all the way around without touching the sides. Also the mobile home is cluttered and it is difficult to walk thru from room to room, and it appears there are holes in the floor that are poorly patched. The owners of the mobile home @ 3717 highway 54 W, town of Port Edwards, are gone most of the day and this leaves the dogs barking and disturbing the neighbors. 20,20

6-19,20; WR10727 A lab/pit mix attacked a Mail Carrier when it accidental was let out of the door by a child @ 931 11th St. N. WR. The Mail Carrier was able to block the dog with her mail bag, she was not bit by the dog. She stated that the week prior this same dog was tied up in the front yard and able to reach the sidewalk and tried to attack her then as well. I spoke with personal at the Post Office and was told this same dog on March 16th of this year was loose and jumped up in an aggressive manner to a different mail carrier, there was not a dog bite in this situation either. Open Case. 14,14

6-20,21; WC9302 A child was bit by an American Bull Dog on the calf of his leg and on his hand. The child had walked up on the porch of his Uncle's home and the dog, unprovoked, attacked the child. The uncle and the child's father beat this dog over and over trying to get the dog to let go, finally the Uncle was able to pull the dog off. An ambulance took the child to the hospital. The dog was sent for quarantine. Order of Abatement to be issued regarding proper confinement. 32,0

6-22,24,26,27; WR11083 Welfare check on a pit bull who's face is bleeding @ the 480 block of Thalacker Ave, WR. There were 4 adult pit bulls and 8 puppies. The adult dogs had been fighting and the owner did not seek medical attention for them. Some of the puppies were deformed and underweight. I removed 3 puppies so far and gave the owner an order of abatement to take all of the dogs to the vet. The 3 that were removed, so far, and taken to the Humane Society were examined by a Veterinarian and he stated in writing, on July 27th that the puppies have hook worms and rickets, stiff walking and bowed legs and bite marks on their tails. I will be meeting again with the owner of the dogs. 8,8,0,0 OPEN CASE

6-22; WC9436 Cat bite victim found 2 feral kittens in her yard @ the 3000 block of Lone Pine Road, town of Sigle, that she thought came from her neighbors from down the road. The victim was cleaning the eyes of the kittens when one of them bit her in the finger. She then brought the kittens to the neighbors house. The following day, June 22nd she did seek medical attention for her bite. At this time the ER reported the bite, I made contact with the owner of the kittens, she stated that she has 2 feral female black and white cats that had kittens and she said the mothers move them often and she wouldn't know which black and white kitten bit. I called the hospital and explained that I do not have a kitten to quarantine so they should speak to the victim about starting Rabies prevention shots. The victim did follow thru with the shots. 0,34

6-23,24; WC9251 Anonymous complaint about 2 cats living in an RV with no fresh air, and smells of urine and feces. Unfounded. 58,58

6-25,26; WC9561 A child was bit by a friends dog when he went into the dog's chained area while the dog was eating. 88,88

6-26,27; WR8862 Open Case. 8,8

6-26; WR11377 Dog Bite @ 2200 block of 5th St. S. WR. The victim was visiting her friend, the owner of the dog. The dog owner's son was holding onto the leash of the dog when the victim went up to pet the dog. She was bit on her forearm. 12

Security Services June 2020 Report

For the month of June 2020, the total number of prohibited items stopped from entering the Courthouse are:

Guns -	0
Knives -	128
O.C. -	8
Misc. Items -	5

Security Services had 46 security requests from different departments within the Courthouse this month. Some of the miscellaneous items that were located for the month of June were: a skateboard, THC pipe, which resulted in a citation, a loaded magazine, an empty holster, 12ga shells and misc. hand tools.

The contractors/construction crews finished up the new District Attorney's Office and the staff is all moved in. There are still little projects that some of the contractors and maintenance employees are finishing up on.

Security Services screened 7,612 people entering the courthouse for the month of June, which is almost double the number we screened in May. We contribute this increase due to the Clerk of Courts Office, Veteran's Services and Planning and Zoning Office opening their doors to the public. The UW Extension Office also started opening their doors to the public on Tuesdays and Thursdays which started the last week of June.

Security Services have continued to hand out masks to those individuals going to court that do not have one. For the month of June, we handed out 499 masks, which is roughly 100 masks per week.

Across the U.S. protests were happening due to the death of George Floyd. Wood County was no exception. We had three protests happen in front of the courthouse about racial injustice in June. We did not experience any issues with the protests. We did open the jail entrance for employees to use during the protests, so they did not need to walk through the protesters. I utilized part time employees to secure the jail entrance during these events. Everything went as smooth as possible and I received positive feedback from the employees for opening the jail door for them.

During this month I utilized the part time deputies for an array of different reasons. Some of the reasons that the part time employees were used were for: after hour meetings, to fill vacation shortages and for the protests. For the month I had the part time employees work a total of 52.5 hours.
